

# MATCH GRADE BUSHING - .285" DIAMETER MATCH BUSHING

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

The Hornady match Grade Dies feature interchangeable neck sizing bushings that are self centering. The bushings allow the user to size the case neck to the bullet tension you desire. This eliminates the chance of over-sizing your case necks and overworking the brass. Bushings are available in .002 inch increments. The Match Grade Full Length Die will size the case body, bump the shoulder and size the case neck with the selected bushing. The Match Grade Neck Die sizes the neck with the installed bushing and bumps the shoulder only (no body sizing). Both versions feature a self centering decap spindle with an o-ring spindle tensioner, and the elliptical expander ball with headed decap pin - the same pin used in the Custom Grade Dies. These bushing sizer dies have some unique features and are very well made and finished.

## Attributes

- Name: [.285" DIAMETER MATCH BUSHING](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016865
- Mfr. No.: 594285

# Safety Instruction Guide for MATCH GRADE BUSHING .285" DIAMETER MATCH BUSHING

## Introduction

Thank you for choosing the MATCH GRADE BUSHING .285" DIAMETER MATCH BUSHING by Hornady. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully to ensure safe operation and handling.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from hazards before using the bushing.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before use.
- Do not modify or alter the bushing in any way, as this may compromise safety and performance.
- Report any unsafe conditions or incidents related to the product to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure proper eye protection is worn during operation to prevent injuries from debris.
- Use gloves to protect hands from sharp edges and potential injuries.
- Avoid using the bushing if you are under the influence of drugs or alcohol.
- Only use the bushing with compatible equipment as specified by the manufacturer.
- Do not exceed the recommended sizing increments to avoid damaging the brass or the bushing.
- Follow the manufacturer's guidelines for the maximum number of uses for the bushing to ensure safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your workspace is clean and organized.
- Select the appropriate bushing size for your needs.
- Insert the bushing into the Match Grade Die, ensuring it is securely in place.
- Make sure the decap spindle is correctly positioned and tightened.

### 2. Usage:

- Place the case to be sized into the die.
- Operate the press slowly and steadily to ensure even sizing.
- Monitor the sizing process to avoid oversizing the case neck.
- After sizing, remove the case and inspect it for proper fit and tension.
- Repeat the process as necessary, using the correct bushing for each case.

### 3. PostUsage:

- Clean the bushing and die after each use to maintain performance and longevity.
- Store the bushing in a safe, dry place away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- If applicable, recycle materials according to local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MATCH GRADE BUSHING .285" DIAMETER MATCH BUSHING, please refer to the manufacturer's website or contact their customer service for assistance. Ensure you have the product details ready for a quicker response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new product responsibly.
