Safety Instruction Guide for L.E. Wilson Micrometer Top Bullet Seater Die

Introduction

Thank you for choosing the L.E. Wilson Micrometer Top Bullet Seater Die. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand these guidelines before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions and warnings.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Use it only as directed.
- **EU Contact Point:** For safety inquiries, refer to the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the bullet seater die.
- Ensure that the die is securely attached to the Arbor Press before use.
- Do not exceed the recommended bulletseating depths; refer to your reloading manual for specifications.
- Keep the work area clean and free from distractions while reloading.
- Store the die in a safe, dry place when not in use to prevent damage.
- Do not use the die for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Ensure the Arbor Press is on a stable surface.
- Attach the L.E. Wilson Micrometer Top Bullet Seater Die to the Arbor Press securely.
- Adjust the threaded cap to set the initial bulletseating depth according to your specifications.

2. Usage:

- Place a cartridge case in the Arbor Press.
- Insert the bullet into the case mouth.
- Pull the handle of the Arbor Press to seat the bullet to the desired depth.
- Check the bulletseating depth using the micrometer scale, adjusting as necessary.
- Repeat the process for additional cartridges, ensuring consistent depth.

3. PostUsage:

- Clean the die and Arbor Press after use to prevent residue buildup.
- Store the die in its original packaging or a designated storage container.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for metal components.

Contact Information for Further Support

For any questions or concerns regarding the L.E. Wilson Micrometer Top Bullet Seater Die, please refer to the retailer or manufacturer for assistance.
