# LOCKNLOAD MODIFIED CASES 300 PRC MODIFIED CASE Safety Instructions

## Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 300 PRC MODIFIED CASE. This product is designed for use with the Hornady LockNLoad Gauge. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle modified cases with care and keep them out of reach of children.
- Ensure you are familiar with the proper functioning of the Hornady LockNLoad Gauge before using modified cases.
- Be aware that modified cases may not work in tight neck chambers; using them in such chambers can cause damage.
- Regularly check for any updates or safety recalls related to this product on the EU's Safety Gate platform.
- Report any unsafe conditions or accidents related to this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use modified cases that show any signs of damage or wear.
- Ensure that modified cases are compatible with your specific firearm and reloading setup.
- Always follow the manufacturer's instructions when using the Hornady LockNLoad Gauge.
- Do not attempt to modify or alter the cases in any way; doing so can compromise safety and performance.
- Avoid using modified cases in highpressure loads or conditions outside the manufacturer's specifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools and equipment, including the Hornady LockNLoad Gauge.

### 2. Using the Modified Cases:

- Insert the modified case into the Hornady LockNLoad Gauge as per the manufacturer's instructions.
- Ensure that the case is seated correctly and securely before proceeding.
- Follow the gauge instructions to measure bullet seating depth accurately.

### 3. PostUsage Care:

- After use, inspect the modified cases for any signs of damage or wear.
- Store the modified cases in a safe and dry location, away from direct sunlight or moisture.

## Disposal Instructions

- Dispose of any damaged or unusable modified cases in accordance with local regulations.
- Do not throw modified cases in regular household waste; check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD MODIFIED CASES 300 PRC MODIFIED CASE, please refer to the manufacturer's website or your point of purchase for assistance.

Thank you for prioritizing safety and for your attention to these guidelines. Enjoy your reloading experience with confidence!
