This product is designed for use with the Hornady LockNLoad Gauge and is part of a series of over 60 modified cases available. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Follow standardized recall notices and remedies for dangerous products.
- Online platforms must meet safety requirements similar to physical stores.
- Extra safeguards are in place for vulnerable groups, such as children.
- For safety inquiries, refer to the designated EU contact point.
- Stay informed about unsafe products through the Safety Gate system.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Modified cases are not compatible with tight neck chambers. Using them in such chambers may lead to damage or injury.
- **Usage Instructions:**
  - Always verify that the modified case is suitable for your firearm before use.
  - Do not attempt to modify the case further or use it in any way not specified by the manufacturer.
- **Age Restrictions:**
  - This product is intended for use by adults and should be kept out of reach of children.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the appropriate Hornady LockNLoad Gauge.
- Verify that the modified case is clean and undamaged before use.

#### 2. Installation:

- Insert the modified case into the LockNLoad Gauge according to the manufacturer's instructions provided with the gauge.
- Ensure the case is seated properly and securely to avoid any operational issues.

#### 3. Usage:

- Follow the guidelines in the LockNLoad Gauge manual for measuring bullet seating depth.
- After use, remove the modified case from the gauge carefully to avoid any potential injury.

#### 4. PostUsage Care:

- Inspect the modified case for any signs of wear or damage after each use.
- Store the modified case in a safe, dry location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the modified case in accordance with local regulations for hazardous materials.
- Do not dispose of it in regular household waste.
- If in doubt, contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**
