

TIN COATED EXPANDER MANDRELS - SINCLAIR INTERNATIONAL

TIN COATED EXPANDER MANDREL, 25 CALIBER (0.256")

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

The Sinclair TiN Expander Mandrels are a great option for those who want increased resistance to abrasion over our Stainless Steel Mandrels, but don't want to feel the need to upgrade to our Carbide Mandrels. The Titanium Nitride coating process adds increased lubricity and abrasion resistance over the standard steel mandrels. Expander mandrels are made to 0.001" under bullet diameter. Originally designed to be used to expand the necks of brass prior to neck turning, these Mandrels can be used to set neck tension.

Attributes

- Name: [SINCLAIR INTERNATIONAL TIN COATED EXPANDER MANDREL, 25 CALIBER \(0.256"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749019004
- Mfr. No.:
- Caliber: 25 Caliber
- Diameter (in): 0.256
- Delivery weight: 0.023kg
- Shipping height: 13mm
- Shipping width: 13mm
- Shipping length: 64mm

Safety Instruction Guide for TIN COATED EXPANDER MANDRELS

Introduction

Thank you for purchasing the TIN COATED EXPANDER MANDRELS from Sinclair International. This guide provides important safety information to ensure the safe use of the product and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.
- Keep the product out of reach of children to prevent accidents or injuries.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the expander mandrels.
- Do not exceed the recommended operating parameters to avoid damage to the product or injury.
- Handle the mandrels with care to prevent injury from sharp edges.
- Avoid using the mandrels for purposes other than those specified in this guide.
- Inspect the mandrels for any signs of wear or damage before each use. Do not use if damaged.

Instructions for Installation and Usage

1. **Preparation:** Ensure that you have all necessary tools and safety equipment ready before beginning the installation process.
2. **Installation:**
 - Select the appropriate expander mandrel based on the caliber (25 Caliber / 0.256").
 - Insert the mandrel into the reloading press or tool, ensuring it is securely fastened.
3. **Usage:**
 - Place the brass casing onto the mandrel.
 - Operate the reloading press or tool according to the manufacturer's instructions.
 - Monitor the process to ensure that the necks of the brass expand evenly.
4. **PostUsage:** After use, carefully remove the brass casing and mandrel from the tool. Clean the mandrel to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the TIN COATED EXPANDER MANDRELS, please refer to the manufacturer's website or customer support resources.

Thank you for prioritizing safety while using the TIN COATED EXPANDER MANDRELS. Your careful attention to these guidelines helps ensure a safe and effective experience.
