ELDX Bullet Seating Stems Safety Instructions

Introduction

Thank you for choosing the ELDX Bullet Seating Stems, designed specifically for .338 caliber (230gr) ELDX bullets. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Use the ELDX Bullet Seating Stems only with compatible Hornady Bullet Seating Dies.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on safety recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling reloading equipment.
- Ensure that the work area is clean and welllit to avoid accidents.
- Avoid distractions while using the bullet seating stems.
- Do not exceed the recommended specifications for bullet seating to prevent potential hazards.
- Inspect the seating stems for any signs of wear or damage before each use. Do not use damaged components.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Hornady Bullet Seating Die is securely mounted in your reloading press.
- Carefully remove the existing seating stem from the die, if applicable.
- Insert the ELDX Bullet Seating Stem into the die, ensuring it is properly aligned.
- Tighten the seating stem securely according to the manufacturer's specifications.

2. Usage:

- Prepare your .338 caliber cases and ELDX bullets according to standard reloading practices.
- Place a case in the reloading press and ensure it is securely held.
- Position an ELDX bullet on top of the case.
- Slowly and steadily operate the press to seat the bullet. Ensure that the bullet is aligned correctly to prevent damage.
- Check the seating depth after each operation to ensure consistency and safety.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, follow appropriate recycling or hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ELDX Bullet Seating Stems, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for prioritizing safety and compliance while using the ELDX Bullet Seating Stems. Your attention to these guidelines helps ensure a safe and effective reloading experience.
