

A-TIP MATCH 7MM (0.284") BULLETS - A-TIP® MATCH 7MM (0.284") 166GR ALUMINUM TIP-BT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Years of research and testing by the Hornady® Ballistic Development Group, combined with advanced manufacturing processes and quality control measures have led to the creation of the ultimate low drag, high performance match bullet. Use of a new A-TIP™ seating stem is required for optimal bullet seating. Product Features TIP DESIGN Aluminum tip is precision machined and longer than polymer tips which moves the center of gravity and enhances in-flight stability. Aeroballistically advanced tip design results in tighter groups and reduced drag variability. Perfect blend of ogive, tip length, bearing surface and optimized boattail by caliber. PERFORMANCE Doppler radar verified low drag coefficient (high BC) bullets are forgiving of twist rate, seating depth and muzzle velocity. Refined design of the AMP® bullet jacket offers industry leading uniformity and concentricity. MANUFACTURING Right off the press – sequentially packaged, one clone after another for the ultimate in consistent performance. Minimal handling throughout the manufacturing process ensures consistency from bullet to bullet. Packaged with a polishing bag to prepare bullets for loading (bullets aren't bulk washed after manufacture).

Attributes

- Name: [A-TIP® MATCH 7MM \(0.284"\) 166GR ALUMINUM TIP-BT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019048
- Mfr. No.: 2836
- Bullet Style: A-Tip Match
- Caliber: 7mm,284 Caliber
- Diameter (in): 0.284
- Grain: 166
- Sectional Density: 0.294
- Quantity: 100
- Delivery weight: 1.202kg
- Shipping height: 121mm
- Shipping width: 84mm
- Shipping length: 152mm
- UPC: 090255228366

ATIP MATCH 7MM (0.284") BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing ATIP MATCH 7MM (0.284") 166GR ALUMINUM TIPBT bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with ammunition and firearms.
- Store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and unauthorized individuals.
- Always check for product recalls on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the ATIP™ seating stem designed for optimal bullet seating.
- Handle bullets with care to avoid damage to the aluminum tip.
- Avoid using damaged or deformed bullets, as they may pose safety risks.
- Wear appropriate eye and ear protection when handling ammunition and firearms.
- Ensure that your firearm is in good working condition and compatible with the bullet specifications.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Instructions for Installation and Usage

1. Preparation

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools and equipment before starting.

2. Loading Bullets

- Use the ATIP™ seating stem to seat the bullets properly.
- Ensure that the bullet is seated to the correct depth as per the firearm manufacturer's specifications.

3. Firing

- Always point the firearm in a safe direction when loading and unloading.
- Check that the firearm is unloaded before handling bullets.
- Follow all safety protocols when firing, including using a suitable backstop.

4. Storage

- Store bullets in their original packaging until ready for use.
- Keep the packaging closed and secure to prevent moisture and contamination.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw away bullets in regular household waste.
- Contact local authorities or waste management services for guidance on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or additional information, please refer to your local regulatory authority or the EU Safety Gate platform. Always ensure you are following the latest guidelines and regulations regarding ammunition safety and usage.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your ATIP MATCH 7MM (0.284") bullets. Thank you for prioritizing safety and responsible use.
