

A-TIP MATCH 7MM (0.284") BULLETS - A-TIP MATCH 7MM (0.284") 190GR A-TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Years of research and testing by the Hornady® Ballistic Development Group, combined with advanced manufacturing processes and quality control measures have led to the creation of the ultimate low drag, high performance match bullet. Use of a new A-TIP™ seating stem is required for optimal bullet seating. Product Features TIP DESIGN Aluminum tip is precision machined and longer than polymer tips which moves the center of gravity and enhances in-flight stability. Aeroballistically advanced tip design results in tighter groups and reduced drag variability. Perfect blend of ogive, tip length, bearing surface and optimized boattail by caliber. PERFORMANCE Doppler radar verified low drag coefficient (high BC) bullets are forgiving of twist rate, seating depth and muzzle velocity. Refined design of the AMP® bullet jacket offers industry leading uniformity and concentricity. MANUFACTURING Right off the press – sequentially packaged, one clone after another for the ultimate in consistent performance. Minimal handling throughout the manufacturing process ensures consistency from bullet to bullet. Packaged with a polishing bag to prepare bullets for loading (bullets aren't bulk washed after manufacture).

Attributes

- Name: [A-TIP MATCH 7MM \(0.284"\) 190GR A-TIP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019049
- Mfr. No.: 28506
- Bullet Style: A-Tip Match
- Caliber: 7mm,284 Caliber
- Diameter (in): 0.284
- Grain: 190
- Sectional Density: 0.337
- Quantity: 100
- Delivery weight: 1.356kg
- Shipping height: 121mm
- Shipping width: 84mm
- Shipping length: 152mm
- UPC: 090255285062

ATIP MATCH 7MM (0.284") BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the ATIP MATCH 7MM (0.284") Bullets. These highperformance match bullets are designed for precision shooting. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle ammunition with care and respect, treating all firearms as if they are loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly check for product recalls and safety notices through the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended seating stem (ATIP™) for optimal bullet seating.
- Ensure that your firearm is compatible with 7mm (0.284") bullets before use.
- Do not exceed recommended muzzle velocities as specified by your firearm's manufacturer.
- Avoid using damaged or corroded ammunition.
- Wear appropriate safety gear, including eye and ear protection, when handling or shooting firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that all safety precautions are observed before handling the bullets.
- Gather necessary tools and equipment for loading.

2. Loading Bullets:

- Use the ATIP™ seating stem to properly seat the bullets.
- Check for proper alignment and depth to avoid any misfires or loading issues.
- Store loaded ammunition in a secure location until ready for use.

3. Shooting:

- Always follow the firearm's operating manual for safe handling and shooting practices.
- Maintain a safe distance from others while shooting.
- Be aware of your surroundings and ensure a clear line of sight before firing.

4. PostShooting:

- Inspect your firearm and ammunition for any signs of wear or damage after use.
- Clean your firearm according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.

- Contact local authorities or waste disposal services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ATIP MATCH 7MM (0.284") Bullets, please seek assistance from your retailer or manufacturer. Ensure you have the product details available for reference.

By adhering to these safety guidelines and instructions, you can enjoy a safe and successful experience with your ATIP MATCH 7MM (0.284") Bullets. Thank you for prioritizing safety in your shooting activities.
