

LOCK-N-LOAD™ IMPACT BULLET PULLER - L-N-L IMPACT BULLET PULLER

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

EASILY REMOVE BULLETS WITHOUT DAMAGE Remove bullets from rifle and pistol cartridges without causing damage while capturing the bullet and powder for reuse. Removes bullets from cartridges without causing damage Captures the bullet and powder for reuse Effective on most rifle or pistol cartridges up to .45 caliber How it works: Insert the correct collet in the plastic cap so the flat side of the collet fits with the handle side of the bullet puller. Screw the cap onto the handle. Loosen the cap a few turns and insert a cartridge — bullet first. Push the cartridge in until extractor groove or rim are engaged. Tighten the cap. Tap on hard surface until bullet is removed.

LOCKNLOAD™ IMPACT BULLET PULLER Safety Instruction Guide

Introduction

Thank you for choosing the LOCKNLOAD™ IMPACT BULLET PULLER. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before use to minimize risks and maximize safety.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to remove bullets from rifle and pistol cartridges.
- Keep the bullet puller out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses, when using the bullet puller.
- Inspect the bullet puller regularly for any signs of damage or wear before each use.
- Do not use the bullet puller if it is damaged or malfunctioning.
- Be aware of your surroundings and ensure you are in a safe environment when using the product.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the bullet puller with cartridges that are compatible with the tool, specifically those up to .45 caliber.
- Do not attempt to remove bullets from live ammunition; only use the bullet puller on spent cartridges.
- Ensure that the cartridge is inserted correctly to avoid misfires or accidents.
- Do not apply excessive force when tapping the bullet puller on a hard surface; this could cause damage to the tool or injury.
- Store the bullet puller in a safe and dry place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the bullet puller and the cartridges you wish to work with.
- Ensure you are in a welllit, clean, and safe workspace.

2. Installation:

- Select the correct collet size that fits the bullet you intend to remove.
- Insert the selected collet into the plastic cap, ensuring that the flat side of the collet is aligned with the handle side of the bullet puller.
- Screw the cap securely onto the handle.

3. Usage:

- Loosen the cap a few turns to allow for cartridge insertion.
- Insert the cartridge into the bullet puller with the bullet end facing down.
- Push the cartridge in until the extractor groove or rim is engaged with the collet.
- Tighten the cap securely to hold the cartridge in place.
- Tap the bullet puller gently against a hard surface until the bullet is removed. Avoid excessive force.

- Once the bullet is extracted, carefully remove the cartridge and collect the bullet and powder for reuse.

Disposal Instructions

- Dispose of any spent cartridges and components in accordance with local regulations.
- Do not dispose of the bullet puller in regular household waste. Check local guidelines for proper disposal methods for tools and equipment.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the LOCKNLOAD™ IMPACT BULLET PULLER.
