

# SUB-X® 30 CALIBER (0.308") RIFLE BULLETS - SUB-X .30 CAL. (0.308") 190GR POLYMER TIP BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sub-X® (Subsonic — eXpanding) bullets deliver big results without a big bang! Designed to provide deep penetration below the speed of sound, Sub-X® features a lead core. Long grooves in its gilding metal jacket combine with its flat profile and the patented Flex Tip® insert within the bullet's hollowpoint cavity to help it expand reliably at low velocities. Cannelures provide positive case crimp, making Sub-X® ideal for semiautomatic weapons. Product Features EXPANDS AT SUBSONIC VELOCITIES Patented Flex Tip® technology aids in expansion at velocities as low as 900 fps. PROVEN PERFORMANCE Meets FBI protocol for terminal ballistic test requirements. POSITIVE CASE CRIMP Lead core bullet with cannellured jacket provides positive case crimp for use in semiautomatics. WIDE RANGE OF GUNS Designed to fit, feed and function in a variety of firearms, including gas system guns.

## Attributes

- Name: [SUB-X .30 CAL. \(0.308"\) 190GR POLYMER TIP BOAT TAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019080
- Mfr. No.: 30730
- Ballistic Coefficient (G1): 0.437
- Brand Style: Sub-X
- Bullet Style: Boat Tail (BT)
- Caliber: 30 Caliber
- Diameter (Breech): -
- Diameter (in): 0.308
- Grain: 190
- Sectional Density: 0.286
- Quantity: 100
- Delivery weight: 1.27kg
- Shipping height: 64mm
- Shipping width: 89mm
- Shipping length: 102mm
- UPC: 090255307306

# Safety Instruction Guide for SUBX® 30 Caliber (0.308") Rifle Bullets

## Introduction

Thank you for choosing SUBX® 30 Caliber (0.308") Rifle Bullets. This product is designed to deliver high performance while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use this product responsibly and effectively in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly check for recalls or safety updates regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that you are using the correct caliber for your firearm to prevent malfunctions or accidents.
- Use only in firearms that are designed to handle .30 caliber ammunition.
- Follow all manufacturer guidelines for your firearm when using this ammunition.
- Wear appropriate eye and ear protection during shooting activities.
- Do not attempt to modify or disassemble the bullets.
- Avoid using damaged or corroded ammunition.
- Be aware of your surroundings and ensure that you are in a safe environment when firing.

## Instructions for Installation and Usage

### • Loading the Ammunition:

- Ensure your firearm is pointed in a safe direction.
- Open the action of your firearm and visually inspect the chamber to confirm it is clear.
- Load the SUBX® bullets into the magazine or chamber as per your firearm's specifications.

### • Firing the Ammunition:

- Confirm that your firearm is in good working order and that you are familiar with its operation.
- Position yourself securely and ensure that your grip is firm.
- Aim at your target and ensure that the area is clear before pulling the trigger.

### • PostFiring:

- After firing, keep the firearm pointed in a safe direction and open the action to eject any spent cartridge cases.
- Inspect the firearm and ammunition for any signs of damage.
- Store any unused ammunition in a safe and secure location.

## Disposal Instructions

- Dispose of used ammunition and cartridge cases in accordance with local regulations.
- Do not throw used ammunition in regular trash.

- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding this product, please refer to the appropriate local authority or manufacturer contact. Ensure that you have the product information readily available when seeking support.

By following these guidelines, you help ensure a safe and enjoyable experience with your SUBX® 30 Caliber (0.308") Rifle Bullets. Always prioritize safety and responsibility when handling ammunition.
