## FULL LENGTH SIZING DIE Safety Instruction Guide

### Introduction

Thank you for choosing the CUSTOM GRADE FULL LENGTH DIES 5.45X39MM FULL LENGTH SIZING DIE from Hornady. This product is designed for precision reloading and provides a lifetime of reliable service. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure that you understand all safety instructions before using this product.
- Always handle reloading equipment with care to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components out of reach of children and unauthorized users.
- Be aware of local laws and regulations regarding reloading and ammunition.

### Specific Safety Precautions for Use

- Before using the die, inspect it for any signs of damage or wear.
- Do not use the die for any purpose other than its intended use.
- Avoid overtightening the die during installation, as this may cause damage.
- Always ensure that the die is securely fastened to the reloading press before use.
- Use the die only with the specified cartridge (5.45 x 39 mm) to prevent malfunction.
- Follow the manufacturer's guidelines for adjustments and settings to ensure proper operation.
- If you experience any unusual noises or malfunctions, stop using the die immediately and consult the manufacturer.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Securely attach the die to the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired setting as per the reloading specifications for the 5.45 x 39 mm cartridge.

#### 2. Usage:

- Refer to the reloading manual for specific instructions on reloading the 5.45 x 39 mm cartridge.
- Always doublecheck the powder charge and bullet seating depth before finalizing the reload.
- After reloading, inspect each round for consistency and quality before use.
- Store reloaded ammunition in a safe and secure manner, away from heat and moisture.

### Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not discard reloading materials in regular household waste.
- Contact local waste management authorities for proper disposal methods of hazardous materials.

## **Contact Information for Further Support**
