ATIP SEATING DIE STEMS 7MM ATIP 190GR

SEATING STEM Safety Instructions

Introduction

Thank you for choosing the ATIP Seating Die Stems 7MM ATIP 190GR Seating Stem. This product is designed for precision seating of Hornady ATip Match bullets, ensuring alignment without damaging the bullet. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean, organized, and free from distractions.
- Follow all manufacturer instructions for related equipment and components.
- Regularly inspect the seating die stems for wear or damage before use.

Specific Safety Precautions for Use

- Handle the seating die stems with care to avoid injury from sharp edges.
- Do not exceed the recommended cartridge specifications when using the seating stem.
- Ensure that the seating stem is properly installed in the Hornady Bullet Seating Die before use.
- Avoid using the seating stem with incompatible bullet types to prevent misalignment and potential injury.
- If you experience any issues during use, stop immediately and consult the product documentation or a qualified professional.

Instructions for Installation and Usage

1. Installation of ATIP Seating Die Stem

- Ensure the Hornady Bullet Seating Die is clean and free from debris.
- Unscrew the existing seating stem from the die.
- Align the ATIP Seating Die Stem with the die and screw it in securely.
- Adjust the seating depth as necessary according to your specifications.

2. Usage of ATIP Seating Die Stem

- Prepare your reloading workspace by gathering all necessary tools and materials.
- Insert the bullet into the case mouth and position it under the seating stem.
- Slowly raise the ram of the reloading press to seat the bullet.
- Monitor the seating process closely to ensure proper alignment and depth.
- After seating, inspect the bullet for proper alignment and depth.

Disposal Instructions

- Dispose of any damaged or worn seating die stems in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs that accept metal and plastic components.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the ATIP Seating Die Stems, please consult the product documentation or reach out to the manufacturer's customer service.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the ATIP Seating Die Stems 7MM ATIP 190GR Seating Stem. Always prioritize safety and consult the appropriate resources when in doubt. Thank you for your commitment to safe practices in reloading.
