

CX™! 338 CALIBER (0.338") RIFLE BULLETS - CX .338 CALIBER (0.338") 185GR POLYMER TIP BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The CX™ (Copper alloy eXpanding) bullet from Hornady represents the most advanced monolithic hunting bullet on the market. Its optimized design offers extended range performance, greater accuracy, high weight retention, and deep penetration. **PRODUCT FEATURES** **MONOLITHIC COPPER ALLOY BULLET** One-piece copper alloy won't separate and delivers devastating terminal performance, deep penetration, and 95% weight retention. **HEAT SHIELD® TIP** The Heat Shield® Tip is made of a heat resistant polymer that resists aerodynamic heating and provides a consistently high BC for the bullet's entire flight path. The Heat Shield® tip also gives the bullet a perfect meplat (tip) for bullet-to-bullet and lot-to-lot consistency. **OPTIMUM GROOVE GEOMETRY** The grooves on the CX™ bullet maximize aerodynamic performance while effectively reducing bearing surface and fouling. **NONTRADITIONAL OPTION FOR LARGE GAME** Fully California compatible and appropriate for use in other areas that require nontraditional bullets, CX™ provides a great option for everything from medium-size to large game.

Attributes

- Name: [CX .338 CALIBER \(0.338"\) 185GR POLYMER TIP BOAT TAIL 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019557
- Mfr. No.: 332704
- Ballistic Coefficient (G1): 0.231
- Brand Style: CX
- Bullet Style: CX
- Caliber: 338 Caliber
- Diameter (in): 0.338
- Grain: 185
- Quantity: 50
- Delivery weight: 0.635kg
- Shipping height: 54mm
- Shipping width: 51mm
- Shipping length: 102mm
- UPC: 090255719581

Safety Instruction Guide for 338 CALIBER (0.338") CX BULLETS

Introduction

Thank you for choosing the 338 CALIBER (0.338") CX BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the bullets to understand potential hazards and necessary precautions.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report unsafe products and accidents to the appropriate authorities.
- If you have questions about safety, reach out to the designated EU contact point for this product.

Specific Safety Precautions for Use

- Always handle ammunition with care and respect.
- Keep the bullets out of reach of children and unauthorized users.
- Use only in firearms that are designed for the specified caliber.
- Do not attempt to modify or disassemble the bullets.
- Wear appropriate eye and ear protection when using firearms.
- Store bullets in a cool, dry place away from heat sources and moisture.
- Check local regulations regarding the use and storage of ammunition.

Instructions for Installation and Usage

- Before using the bullets, ensure that you are familiar with the firearm's operation and safety features.
- Load the bullets into the firearm according to the manufacturer's instructions.
- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Confirm that the firearm is unloaded before cleaning or performing any maintenance.
- When firing, maintain a firm grip on the firearm and keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- After use, clean the firearm according to the manufacturer's instructions to maintain optimal performance.

Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 338 CALIBER (0.338") CX BULLETS, please refer to the designated EU contact point associated with this product.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with the 338 CALIBER (0.338") CX BULLETS.
