

# CX™! 338 CALIBER (0.338") RIFLE BULLETS - CX .338 CALIBER (0.338") 225GR POLYMER TIP BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The CX™ (Copper alloy eXpanding) bullet from Hornady represents the most advanced monolithic hunting bullet on the market. Its optimized design offers extended range performance, greater accuracy, high weight retention, and deep penetration. **PRODUCT FEATURES** **MONOLITHIC COPPER ALLOY BULLET** One-piece copper alloy won't separate and delivers devastating terminal performance, deep penetration, and 95% weight retention. **HEAT SHIELD® TIP** The Heat Shield® Tip is made of a heat resistant polymer that resists aerodynamic heating and provides a consistently high BC for the bullet's entire flight path. The Heat Shield® tip also gives the bullet a perfect meplat (tip) for bullet-to-bullet and lot-to-lot consistency. **OPTIMUM GROOVE GEOMETRY** The grooves on the CX™ bullet maximize aerodynamic performance while effectively reducing bearing surface and fouling. **NONTRADITIONAL OPTION FOR LARGE GAME** Fully California compatible and appropriate for use in other areas that require nontraditional bullets, CX™ provides a great option for everything from medium-size to large game.

## Attributes

- Name: [CX .338 CALIBER \(0.338"\) 225GR POLYMER TIP BOAT TAIL 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749019558
- Mfr. No.: 332014
- Ballistic Coefficient (G1): 0.281
- Brand Style: CX
- Bullet Style: CX
- Caliber: 338 Caliber
- Diameter (in): 0.338
- Grain: 225
- Quantity: 50
- Delivery weight: 0.635kg
- Shipping height: 54mm
- Shipping width: 51mm
- Shipping length: 102mm
- UPC: 090255719598

# Safety Instruction Guide for 338 Caliber (0.338") CX Bullets

## Introduction

Thank you for choosing the 338 Caliber (0.338") CX Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document carefully before using the bullets to understand the potential hazards and how to mitigate them.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Follow local laws and regulations regarding the use and storage of ammunition.
- Use proper eye and ear protection when shooting.
- Regularly check for recalls or safety alerts regarding this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm you are using is compatible with 338 Caliber (0.338") ammunition.
- Do not exceed the manufacturer's recommended load specifications.
- Inspect bullets for any visible defects before use. Do not use damaged or deformed bullets.
- Never point a firearm at anything you do not intend to shoot.
- Always treat every firearm as if it is loaded.
- Use appropriate shooting techniques and maintain a safe distance from others while shooting.
- Be aware of your surroundings and ensure a safe backdrop when shooting.

## Instructions for Installation and Usage

### • Installation:

- Ensure the firearm is unloaded before installing the bullets.
- Follow the firearm manufacturer's instructions for loading ammunition.
- Load the bullets into the magazine or chamber of the firearm as per the guidelines provided by the firearm manufacturer.

### • Usage:

- When ready to shoot, hold the firearm firmly and align your sights with your target.
- Take a deep breath, and gently squeeze the trigger to fire.
- After shooting, ensure the firearm is cleared and safe before handling or storing it.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that spent cartridges are disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact your local distributor. Always ensure you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety while using the 338 Caliber (0.338") CX Bullets. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
