Safety Instruction Guide for Sinclair Priming Tool Shell Holders

Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of the product. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the product manual before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shell holder for any damage or defects before use.
- Use only recommended cartridges: 357 Magnum, 38 Special, 38 Short Colt, 224 Weatherby Magnum, 38 S&W, 41 Long Colt, 38 Long Colt, 256 Winchester Mag, 22 Remington Jet, 357 Maximum.
- Ensure that the Sinclair Priming Tool is compatible with the shell holder before use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Avoid using excessive force when installing or removing the shell holder.
- Do not modify the shell holder or the priming tool in any way.
- Always wear appropriate eye protection when using the priming tool.
- Store the shell holder in a dry and secure location when not in use.
- Be aware of your surroundings and ensure that no one is in close proximity while using the tool.

Instructions for Installation and Usage

1. Installation of Shell Holder:

- Ensure that the Sinclair Priming Tool is in the "off" position.
- Align the shell holder with the priming tool.
- Gently insert the shell holder into the tool until it is securely in place.
- Confirm that the model number on the shell holder matches the specifications for the tool.

2. Usage of Priming Tool:

- Load the appropriate cartridge into the shell holder.
- Ensure that the cartridge is seated properly.
- Follow the operating instructions provided with the Sinclair Priming Tool.
- Do not exceed the manufacturer's recommended specifications for the cartridges.

3. Post Usage:

- After use, carefully remove the shell holder from the priming tool.
- Clean the shell holder to remove any debris or residue.
- Store the shell holder in a safe location away from moisture.

Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local waste management regulations.
- Do not dispose of the shell holder in household waste.
- If necessary, contact local authorities for guidance on the proper disposal of metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Sinclair Priming Tool Shell Holders, please reach out to your local supplier or authorized distributor. Make sure to have the model number and any relevant information ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of your Sinclair Priming Tool Shell Holders. Thank you for your attention to safety and compliance with the EU GPSR.
