# Safety Instruction Guide for Sinclair Priming Tool Shell Holders

## Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holders. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before use to familiarize yourself with important safety measures and operational guidelines.

## General Safety Guidelines

- Always handle the Sinclair Priming Tool Shell Holders with care to prevent injury.
- Ensure that the shell holder is compatible with your specific Sinclair Priming Tool model.
- Keep the shell holders out of reach of children and vulnerable individuals.
- Regularly inspect the shell holders for any signs of wear or damage before use.
- Do not use the shell holders if they show any signs of damage or if they do not fit securely in the priming tool.
- Follow all local laws and regulations regarding the use and handling of reloading tools and components.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the Sinclair Priming Tool.
- Ensure that your workspace is clean and organized to avoid accidents.
- Always work in a wellventilated area to prevent exposure to any fumes or dust.
- Avoid distractions while handling and using the priming tool and shell holders.
- Do not exceed the recommended cartridge specifications for your shell holders.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion from improper handling.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your Sinclair Priming Tool is clean and free from debris.
- Select the appropriate Sinclair Priming Tool Shell Holder for your cartridge type.
- Align the shell holder with the priming tool, ensuring it fits snugly.
- Secure the shell holder in place as per the priming tool's instructions.

### 2. Usage

- Load the cartridge case into the shell holder, ensuring it is seated properly.
- Follow the manufacturer's instructions for operating the Sinclair Priming Tool.
- Apply consistent pressure when priming to ensure proper seating of the primer.
- After use, remove the cartridge case and clean the shell holder as necessary.

## Disposal Instructions

- Dispose of any damaged or worn shell holders in accordance with local waste disposal regulations.
- Do not throw away shell holders in regular household waste if they are made from metal; check for recycling options.
- Ensure that any unused or expired primers are disposed of safely according to hazardous waste guidelines.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Sinclair Priming Tool Shell Holders, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective experience with your Sinclair Priming Tool Shell Holders. Always prioritize safety and adhere to all guidelines for best practices. Thank you for your attention to these important safety measures.
