# Sinclair Priming Tool Shell Holders Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair Priming Tool Shell Holder, specifically designed for the #22, Stainless, 338 Lapua cartridge. This guide provides important safety instructions, usage guidelines, and disposal information to ensure safe and effective use of this product.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always read and understand the product instructions before use.
- Use the Sinclair Priming Tool Shell Holder only with the compatible Sinclair Priming Tool.
- Ensure that the work area is clean, dry, and welllit.
- Keep the shell holder out of reach of children and vulnerable individuals.
- Inspect the shell holder for any signs of damage or wear before use. Do not use if damaged.
- Follow all local laws and regulations regarding the handling and use of reloading equipment.

## Specific Safety Precautions for Use

The following precautions should be taken to avoid potential hazards:

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the priming tool.
- Do not exceed the recommended cartridge specifications for the shell holder.
- Avoid using the shell holder in wet or damp conditions.
- Ensure that the shell holder is securely attached to the priming tool before use.
- Always point the tool away from yourself and others when operating.
- Do not leave the priming tool unattended while in use.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Sinclair Priming Tool Shell Holder:

### 1. Installation:

- Ensure that the Sinclair Priming Tool is turned off and unplugged if applicable.
- Locate the shell holder slot on the priming tool.
- Align the shell holder with the slot and gently insert it until it is securely in place.
- Confirm that the model number on the shell holder matches the specifications required for your cartridge.

### 2. Usage:

- Load the appropriate cartridge into the shell holder.
- Follow the operating instructions for your Sinclair Priming Tool to begin the priming process.
- Monitor the process closely to ensure safe operation.
- After use, remove the cartridge and shell holder from the tool and inspect for any residue or damage.

## **Disposal Instructions**

When the Sinclair Priming Tool Shell Holder reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations:

- Do not dispose of the shell holder in regular household waste.
- Check with local waste management authorities for proper disposal methods.
- If the shell holder is made of recyclable materials, follow recycling guidelines specific to your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sinclair Priming Tool Shell Holder, please contact the manufacturer or your local distributor for assistance. Ensure to have your model number and purchase information available for reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Sinclair Priming Tool Shell Holder. Your safety is our priority, and we appreciate your commitment to responsible use. Thank you for choosing our product.
