# G36K Handguard with Heatshield Safety Instruction Guide

## Introduction

Thank you for choosing the G36K Handguard with Heatshield from Heckler & Koch. This product is designed to enhance the functionality and safety of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with applicable regulations.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the G36K Handguard is compatible with your firearm model before installation.
- Store the handguard in a safe place, away from children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms and firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the G36K Handguard is specifically designed for the G36 model. Using it with incompatible models may lead to safety hazards.
- **Installation:** Only install the handguard according to the provided instructions to avoid improper fitting, which could lead to malfunctions.
- **Heatshield Awareness:** The heatshield is designed to protect against heat during operation. Avoid direct contact with the heatshield during and immediately after use.
- **Child Safety:** Keep the handguard and any associated equipment out of reach of children.
- **Usage in Public Spaces:** Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare Your Workspace:** Ensure that you are in a clean, dry area with adequate lighting.
2. **Gather Tools:** You may need a screwdriver or other tools as specified in the firearm's manual.
3. **Remove the Existing Handguard:**
  - Ensure the firearm is unloaded.
  - Follow the manufacturer's instructions to safely remove the existing handguard.
4. **Install the G36K Handguard:**
  - Align the handguard with the firearm's mounting points.
  - Secure the handguard following the manufacturer's specifications. Ensure it is tightly fitted to prevent any movement.
5. **Inspect the Installation:** Check that the handguard is securely attached and that there are no gaps or misalignments.

### Usage Instructions

- Before using the firearm, ensure that the handguard is properly installed and functioning.
- Maintain a firm grip on the firearm, utilizing the handguard for stability.
- After use, clean the handguard according to the manufacturer's recommendations to ensure longevity and performance.

## **Disposal Instructions**

- Dispose of the G36K Handguard in accordance with local regulations.
- If the handguard is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of the handguard in regular household waste.

## **Contact Information for Further Support**

For any questions regarding the G36K Handguard with Heatshield, please refer to the manufacturer's website or contact your local dealer for further assistance. Ensure you have the product details ready when seeking support.

Thank you for your attention to these safety guidelines. Your safety and the safe use of your firearm are our top priorities.
