

10/22® BX-TRIGGER® - 10/22 BX-TRIGGER RED

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The 10/22® BX-Trigger® features a light, crisp 2.5-3.0 lb trigger pull, with minimal over travel. Rugged, reliable and safe (meets or exceeds industry standards for drop testing), this new and improved Genuine Ruger® Factory Accessory comes in a completely self-contained module and is easy to install. The BX-Trigger® features a Polymer construction and drop-in installation. Fits Ruger® 10/22® rifles or 22 Charger™! Pistol. DO NOT DRY FIRE UNLESS A HAMMER BLOCK IS INSTALLED OR TRIGGER IS INSTALLED IN A RUGER® 10/22® RIFLE.

Safety Instruction Guide for 10/22® BXTrigger®

Introduction

Thank you for choosing the 10/22® BXTrigger®. This guide provides essential safety information and instructions for the proper use and installation of your product. Please read this manual carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure all safety measures are followed when using the 10/22® BXTrigger®.
- Always treat firearms as if they are loaded.
- Keep the trigger area clear of any obstructions.
- Do not use the trigger if it shows signs of damage or wear.
- Ensure the firearm is pointed in a safe direction at all times.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of damage or malfunction.

Specific Safety Precautions for Use

- **Dry Firing Warning:** DO NOT DRY FIRE UNLESS A HAMMER BLOCK IS INSTALLED OR TRIGGER IS INSTALLED IN A RUGER® 10/22® RIFLE.
- **Installation:** Ensure the BXTrigger® is installed correctly before use. Refer to the installation instructions below.
- **Age Restrictions:** This product is intended for use by individuals who are at least 18 years of age. Ensure that younger users are supervised by a responsible adult.
- **Vulnerable Groups:** Take extra care to ensure that children and inexperienced users do not have access to the firearm or the trigger.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the Ruger® 10/22® rifle or 22 Charger™ pistol.
- Carefully insert the BXTrigger® into the trigger housing. It is designed for drop-in installation.
- Ensure that the trigger is seated properly and that all components are aligned.
- Reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure the trigger operates correctly.

2. Usage Instructions:

- Before using the firearm, ensure that the BXTrigger® is functioning correctly.
- Familiarize yourself with the firearm's operation and safety features.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the BXTrigger® in accordance with local regulations.
- If the trigger is damaged or no longer in use, do not throw it in regular trash. Instead, contact local authorities for safe disposal options.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service directly. Ensure you have the product model and serial number available for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 10/22® BXTrigger®. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
