

# RIFLE STRAP-ON CHEEK PIECE - SMITH ENTERPRISE STRAP-ON CHEEK PIECE TAN NYLON

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Cheek Pieces](#)

## Provides Positive Cheek-To-Stock Contact For Improved Shooting Form & Comfort

Comfortable, strap-on cheek pad helps you gain a positive and consistent cheekweld on buttstocks without an integral cheekrest or raised comb. Felt-like, waterproof inner pad with overlaid PVC shell cushions recoil and minimizes perceived vibration, so your face takes less of a beating when firing large caliber rifles or full automatic weapons. Outer covering of heavyweight, 1000 Denier ballistic cloth resists abrasion and perspiration. Three, extra-thick, hook-and-loop straps with loops allow you to cinch it down tight on the stock for absolutely no movement under recoil. Installs and removes in just seconds. Designed originally for the M14/M1A, but fits equally well on sporting rifles and shotguns.

# Safety Instruction Guide for RIFLE STRAPON CHEEK PIECE

## Introduction

Thank you for choosing the RIFLE STRAPON CHEEK PIECE by SMITH ENTERPRISE. This product is designed to enhance your shooting experience by providing a comfortable cheek weld on your rifle. To ensure your safety and the optimal use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the rifle is unloaded before attaching or adjusting the cheek piece.
- Inspect the cheek piece for any signs of damage or wear before each use.
- Use the product only for its intended purpose, which is to assist in achieving a proper cheek weld while shooting.
- Keep the cheek piece away from children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the cheek piece is securely fastened to the rifle stock before use to avoid slippage during firing.
- Do not use the cheek piece with firearms that exceed the recommended caliber specifications.
- Be aware of your surroundings when using the rifle, and ensure that the area is safe for shooting.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the cheek piece in extreme weather conditions that could affect its performance, such as heavy rain or extreme heat.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the cheek piece from its packaging.
- Place the cheek piece against the buttstock of your rifle.
- Use the three extrathick hookandloop straps to secure the cheek piece:
  - Feed the strap through the loop and pull tight.
  - Ensure that the straps are cinched down securely to prevent movement during recoil.
- Check that the cheek piece is stable and does not shift when you apply pressure.

### 2. Usage:

- Position your cheek on the cheek piece to establish a comfortable cheek weld.
- Align your sight picture and ensure that the rifle is properly supported.
- Maintain focus on your target and be aware of your shooting environment.
- After use, remove the cheek piece by loosening the straps and gently pulling it away from the stock.

## Disposal Instructions

- Dispose of the cheek piece responsibly in accordance with local regulations.
- If the cheek piece is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in household waste if it is made of nonbiodegradable materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE STRAPON CHEEK PIECE, please refer to the contact information provided on the product packaging or visit the manufacturer's website. It is essential to have a point of contact for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the RIFLE STRAPON CHEEK PIECE. Thank you for your attention to these important safety guidelines.
