

# SPRINGFIELD M1 GARAND MATCH FRONT SIGHT - SMITH ENTERPRISE .721" MATCH FRONT SIGHT STEEL BLACK

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

## For Easy Restoration Or Competition

Heat-treated, 4130 chrome moly front and rear sights make it fast and easy to upgrade your original military sights for improved strength and accuracy. Parkerized finish reduces glare and helps deflect light for a clear, easy-to-acquire sight picture in all light conditions. Match front sights feature a narrow, .062" wide front blade for a crisp, clean sight picture at all normal competition ranges. Garand Tritium front sight has a self-illuminating, green Tritium insert in the .091" wide blade for fast sight pick up in low-light conditions.

# Safety Instruction Guide for SPRINGFIELD M1 GARAND MATCH FRONT SIGHT

## Introduction

Thank you for choosing the Springfield M1 Garand Match Front Sight by Smith Enterprise. This guide provides essential safety instructions and information to ensure the safe use and installation of your front sight. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the front sight out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Use the product only for its intended purpose.

## Specific Safety Precautions for Use

- Avoid using the front sight in conditions that may impair visibility, such as extreme weather or lowlight situations, unless the Garand Tritium feature is utilized.
- Do not attempt to modify or alter the front sight in any way.
- Ensure that the sight is securely installed before use to prevent it from loosening while shooting.
- If you experience any difficulty in using the sight or notice any abnormalities, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and safe before beginning installation.
- Remove the original front sight from your M1 Garand.
- Align the Springfield M1 Garand Match Front Sight with the mounting area.
- Secure the sight using the included setscrew. Ensure it is tightened appropriately to prevent movement during use.
- Doublecheck that the sight is aligned properly for optimal accuracy.

### 2. Usage:

- When aiming, ensure your sight picture is clear and unobstructed.
- Use the narrow .062" wide front blade for precision aiming at normal competition ranges.
- In lowlight conditions, utilize the selfilluminating green Tritium insert for improved visibility.
- Regularly practice safe firearm handling and shooting techniques.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and environmental guidelines.
- Do not dispose of the sight in regular household waste. Instead, consider recycling options if available.
- Ensure that any components that may pose a hazard are properly disposed of to prevent injury to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the Springfield M1 Garand Match Front Sight, please refer to the manufacturer's contact information included with your product. It is important to have access to support for safe usage and maintenance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Springfield M1 Garand Match Front Sight. Thank you for prioritizing safety in your shooting activities.
