# BERETTA USA TRIGGER STEEL Safety Instruction Guide

## Introduction

Thank you for choosing the BERETTA USA TRIGGER STEEL. This product is designed to enhance the performance of your Beretta 92 firearm. To ensure safe and effective use, please follow these safety guidelines and instructions carefully. Your safety and the safety of others is our top priority.

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Ensure that you are in a safe environment when handling the firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger steel for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing the trigger steel.
- Do not attempt to modify the trigger steel or any other component of the firearm unless you are a qualified gunsmith.
- Use only factory replacement parts that are specifically designed for the Beretta 92 model.
- Avoid using the firearm in wet or damp conditions, as this may affect the performance of the trigger steel.
- If you experience any malfunctions or unusual behavior when using the firearm, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver and any other tools specified in the firearm's manual.

### 2. Installation:

- Remove the existing trigger (if applicable) by following the instructions in your Beretta 92 manual.
- Carefully install the BERETTA USA TRIGGER STEEL by aligning it with the designated slots and securing it in place with the appropriate screws.
- Ensure that all screws are tightened to the manufacturer's specifications to prevent any movement during use.

### 3. Usage:

- After installation, perform a function check to ensure that the trigger operates correctly.
- Follow all standard firearm safety practices when using the firearm.
- Only use ammunition that is recommended for the Beretta 92 model.

### 4. PostUsage:

- After using the firearm, clean and inspect the trigger steel and the firearm to maintain optimal performance.
- Store the firearm securely, ensuring that it is unloaded and locked away.

## **Disposal Instructions**

- Dispose of the BERETTA USA TRIGGER STEEL in accordance with local regulations for metal waste.
- Do not throw the product into household waste. Instead, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

By following these guidelines and instructions, you can ensure the safe and effective use of your BERETTA USA TRIGGER STEEL. Thank you for prioritizing safety and responsible firearm ownership.
