Safety Instruction Guide for Piston Stop Sleeves for Beretta 12 Gauge Shotgun

Introduction

Thank you for purchasing the Piston Stop Sleeve for Beretta 12 Gauge Shotgun. This guide provides essential safety instructions and information to ensure the proper use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the Piston Stop Sleeve is compatible with your shotgun model (Beretta A300 or AL391) before installation.
- Always follow the manufacturer's instructions for safe handling and use of your shotgun.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Piston Stop Sleeve for signs of wear or damage.
- If you suspect any malfunction or damage, discontinue use immediately and consult a qualified gunsmith.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Wear appropriate eye and ear protection when using your shotgun.
- Ensure that the shotgun is pointed in a safe direction at all times.
- Do not modify the Piston Stop Sleeve or any other part of your shotgun.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow local laws and regulations regarding firearm use and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is unloaded and the safety is engaged.
- Gather necessary tools for installation (if required).

2. Installation:

- Locate the existing piston stop sleeve on your Beretta shotgun.
- Carefully remove the old piston stop sleeve, following the manufacturer's instructions.
- Install the new Piston Stop Sleeve by aligning it properly and securing it in place.
- Ensure that the sleeve is seated correctly and that there are no gaps or misalignments.

3. Usage:

- Once installed, perform a function check to ensure that the shotgun operates correctly.
- Regularly inspect the Piston Stop Sleeve during routine maintenance of your shotgun.
- If you notice any irregularities or issues, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or damaged piston stop sleeves in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Piston Stop Sleeve, please refer to the manufacturer's customer support resources. It is essential to have a reliable contact for safety inquiries and product support.

Thank you for prioritizing safety while using your Piston Stop Sleeve for Beretta 12 Gauge Shotgun. Your adherence to these guidelines ensures a safer experience for you and those around you.
