# ARCA Rail Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the ARCA Rail Adapter from Warne Mfg. Company. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the ARCA Rail Adapter is compatible with your bipod and firearm before installation.
- Always inspect the adapter for any signs of damage or wear before use.
- Use the adapter only for its intended purpose; any misuse may lead to accidents or injuries.
- Keep the adapter out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure that the firearm is unloaded before installing the adapter.
- Use appropriate tools as specified in the installation instructions.
- Do not attempt to modify the adapter or use it in a way not specified by the manufacturer.

### • Operational Safety:

- Always maintain a proper shooting stance and grip when using the bipod with the adapter.
- Regularly check the stability of the bipod and adapter during use.
- Be aware of your surroundings and ensure a safe shooting environment.

### • Maintenance Safety:

- Clean the adapter regularly to prevent dirt and debris buildup.
- Store the adapter in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select the correct adapter style (17S or Swivel Stud) for your bipod.
- Align the adapter with the mounting point on the firearm.
- Secure the adapter using the appropriate screws or fasteners as per the installation manual.
- Tighten all screws firmly but do not overtighten, as this may cause damage.

### 2. Usage Instructions:

- Attach the bipod to the adapter following the manufacturer's instructions.
- Once attached, check the stability of the bipod before taking your position.
- Practice safe handling and shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the ARCA Rail Adapter in accordance with local regulations.
- Do not dispose of the adapter in household waste. Check for recycling options or contact local waste management for guidance.

## **Contact Information for Further Support**

For any inquiries regarding the ARCA Rail Adapter or safety concerns, please contact the manufacturer or your local distributor. Ensure that you have the product details and any relevant information ready for assistance.

Thank you for prioritizing safety while using the ARCA Rail Adapter. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
