

SAVAGE LONG ACTION MOUNTAIN TECH SCOPE RAIL - WARNE MFG. COMPANY SAVAGE LA 20MOA RAIL 8-40 SCREWS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

“Ounces are pounds, Pounds are pain” The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Bases feature black zinc coated hardware for “Element Proof” protection. Self centering tapered T-15 Torx screws. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for Warne Mountain Tech Scope Rail

Introduction

Thank you for choosing the Warne Mountain Tech Scope Rail for your Savage Long Action rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the scope rail for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle firearms safely and responsibly.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended screws (840) provided with the scope rail.
- Ensure that the rail is securely mounted before using the firearm.
- Do not exceed the manufacturer's weight limit for accessories mounted on the rail.
- Regularly check the tightness of screws and the integrity of the rail during use.
- Avoid using the product in extreme weather conditions without proper precautions.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools, including a T15 Torx screwdriver.
- Place the scope rail on the receiver of your Savage Long Action rifle.
- Align the holes of the rail with the mounting points on the rifle.
- Insert the T15 Torx screws into the holes and tighten securely without overtorquing.
- Ensure that the rail is level and properly aligned before final tightening.

2. Usage Instructions:

- After installation, mount your scope according to the manufacturer's instructions.
- Check that the scope is securely attached to the rail.
- Perform a test fire to ensure that the scope is properly zeroed and that the rail remains secure.
- Regularly inspect the mounting system for wear and tear, especially before each use.

Disposal Instructions

- Dispose of the product according to local regulations for metal and electronic waste.
- Do not dispose of the product in household waste.
- Check with local authorities for specific disposal guidelines in your area.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or customer service.

resources available in your region.

Thank you for prioritizing safety while using the Warne Mountain Tech Scope Rail. Your responsible handling and adherence to these guidelines will contribute to a safer shooting experience.
