Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free from debris before installation.
- Use appropriate tools for installation to avoid damaging the product.
- Do not exceed the recommended weight limit for mounted items.
- Always check the tightness of the mounts after installation and periodically thereafter.
- Keep hands clear of moving parts during installation and usage.
- Use protective eyewear when installing or adjusting the mount.

Instructions for Installation and Usage

Installation

1. **Gather Necessary Tools:** Ensure you have the required tools for installation, including a screwdriver and any other specified tools.
2. **Identify Mounting Location:** Choose a suitable location on the rifle where the base will be installed.
3. **Clean the Area:** Wipe the mounting area with a clean cloth to remove any dust or debris.
4. **Align the Base:** Position the base over the mounting area, ensuring it is aligned correctly.
5. **Secure the Base:**
 - Insert screws through the base into the mounting holes.
 - Tighten screws evenly to ensure a secure fit without overtightening.
6. **Check Stability:** After installation, gently shake the mount to ensure it is securely attached.

Usage

- Once installed, regularly check the mount for stability and tightness.
- Ensure that any accessories mounted on the base are properly secured before use.
- Do not use the rifle with an improperly installed mount.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options for aluminum components where applicable.
