[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

WEIG-A-TINNY® TAURUS Mini Scope Mount with ""Self Fitting Lug TM"" Patent Pending This Scope Mount is Designed to Attach the MINI Type Red Dot Sights' Such as BURRIS Fast Fire III and Vortex Mini Style Sights Sorry, this mount will not fit the TRACKER Model 17C, 94 or 941 Our NEW Self Fitting Lug TM keeps the center sight lug tight no matter what the sight opening on the revolver is. Our NEW Patent Pending design fits itself when you install the scope mount. A tap on the back of the scope mount seats the lug firmly in your revolvers rear sight notch. Then you simply install the supplied attaching screw. NOTE ABOUT THIS MOUNT: This scope mount does not fit flush in the front on all revolver models. There is a gap in the front on some applications. TAURUS MINI scope mount WEIG-A-TINNY® Remove the rear sight and install this versatile WEIG-A-TINNY® style base, scope mount in just minutes. Uses existing rear sight elevation screw hole. Oversize recoil lug prevents the scope mount from shifting even when shooting full-house, magnum loads. Accepts all Weaver-style attaching points and Picatinny accessories. 2-1/2"" long, available in black or silver, matte anodized finish, weighs 1 ounce. Attaching screw is supplied, mounting screw is 6-40 thread. Fits many TAURUS revolvers with adjustable sights. Your revolver must have the type of rear sight shown in the following photo. Most TAURUS revolvers do. Will not fit any fixed sight models. CAUTION: We do not suggest Red Dot sights weighing over 3.5 ounces for this scope mount.

# Safety Instruction Guide for WEIGATINNY Mini Revolver Scope Mount

## Introduction

Thank you for choosing the WEIGATINNY Mini Revolver Scope Mount for your Taurus revolver. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your new scope mount.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle your firearm with care and respect.
- Ensure that the revolver is unloaded before installing or adjusting the scope mount.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Inspect the scope mount regularly for signs of wear or damage.
- Store the scope mount and your firearm in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the WEIGATINNY Mini Revolver Scope Mount, please observe the following precautions:

- Ensure that the scope mount is compatible with your specific Taurus revolver model.
- Do not exceed the weight limit of 3.5 ounces for Red Dot sights on this mount.
- Be cautious of the gap at the front of the mount, which may occur on some revolver models.
- Use the supplied attaching screw and ensure it is tightened properly to prevent the scope mount from shifting during use.
- Avoid using this mount on fixed sight models, as it is designed for revolvers with adjustable sights only.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the WEIGATINNY Mini Revolver Scope Mount:

### 1. Remove the Rear Sight:

- Carefully remove the rear sight from your Taurus revolver.

### 2. Install the Scope Mount:

- Align the WEIGATINNY scope mount with the existing rear sight elevation screw hole.
- Ensure that the selffitting lug seats firmly in the revolver's rear sight notch.

### 3. Secure the Mount:

- Tap the back of the scope mount gently to ensure the lug is seated properly.
- Install the supplied attaching screw and tighten it securely (640 thread).

### 4. Check Alignment:

- Verify that the scope mount is aligned correctly and is stable.

## 5. Attach Your Sight:

- Attach your chosen MINI Type Red Dot sight, such as the BURRIS Fast Fire III or Vortex Mini Style sights, to the scope mount.

## 6. Final Inspection:

- Conduct a final inspection to ensure that everything is secure and properly installed before using your revolver.

## Disposal Instructions

When disposing of the WEIGATINNY Mini Revolver Scope Mount, please adhere to the following guidelines:

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- If the scope mount is damaged or no longer usable, consider recycling materials where possible.
- Ensure that all components are disposed of safely to prevent harm to the environment or others.

## Contact Information for Further Support

For any questions or concerns regarding the WEIGATINNY Mini Revolver Scope Mount, please consult the manufacturer's support resources or refer to the product packaging for further assistance.

By following these safety instructions and guidelines, you can enjoy the benefits of the WEIGATINNY Mini Revolver Scope Mount while ensuring a safe shooting experience. Thank you for your attention to safety and responsible firearm usage.
