

# **BATTLESIGHTS FOR SIG SAUER™ - WILSON COMBAT BATTLESIGHT FOR SIG, U-NOTCH, SERRATED**

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The high profile Wilson Combat SIG Battlesight rear has a .145" wide, deep U-Notch for optimum sighting in low-light, dynamic range conditions and is a perfect match to our .125" wide front sights. The concave non-reflective rear blade is serrated 40 lines per inch, while the notch area is recessed into a semi-circular pocket for a crisp, protected sight picture. A hardened set-screw ensure this sight will never shoot loose under the most demanding conditions. This snag-free rear sight also has a shelf shape that enables one-hand slide cycling or malfunction clearance and a rugged, non-reflective matte black parkerized finish. The Wilson Combat SIG Battlesight is available with single dot Tritium and plain black serrated rear blades and your choice of black serrated, green/red fiber optic, tritium and genuine, never dulling gold bead front sight styles. NOTE: The Wilson Combat SIG Battlesight rear is compatible with the following Sig Sauer® models chambered in 9mm or .357 SIG: P225, P226, P228, P239, P320.

# Safety Instruction Guide for Wilson Combat SIG Battlesight

## Introduction

Thank you for choosing the Wilson Combat SIG Battlesight. This guide provides important safety information and instructions to ensure the proper use and maintenance of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Battlesight by following all instructions provided. The product is designed for use with specific Sig Sauer® models and should not be used with other firearms.
- **Enhanced Recalls:** Stay informed about any potential recalls. If a recall is issued, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Verify the authenticity of the product before use.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products related to your purchase.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Do not attempt to install the Battlesight while the firearm is loaded or in a potentially dangerous condition.
- Ensure the Battlesight is compatible with your specific Sig Sauer® model (P225, P226, P228, P239, P320).
- Regularly inspect the Battlesight for any signs of damage or wear. If any issues are detected, discontinue use immediately.
- Use only approved front sight styles with the Battlesight to ensure optimal performance.
- Be aware of the sight picture and adjust accordingly to maintain accuracy.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe environment.
2. **Remove Existing Sight:** If applicable, carefully remove any existing rear sight using appropriate tools.
3. **Install Battlesight:**
  - Align the Battlesight with the mounting dovetail on the firearm.
  - Use the provided hardened setscrew to secure the sight in place.
  - Ensure the sight is tight and does not move.
4. **Check Alignment:** Verify that the Battlesight is properly aligned with the front sight for accurate aiming.

### Usage

- **Sight Picture:** Use the deep Unotch for optimum sighting. Adjust your stance and grip for comfort and stability.
- **LowLight Conditions:** The Battlesight is designed for lowlight conditions. Practice using the sight in various lighting scenarios to enhance proficiency.
- **Malfunction Clearance:** The shelf shape allows for onehand slide cycling. Practice clearing malfunctions safely.

## **Disposal Instructions**

- Dispose of the Battlesight responsibly. Follow local regulations for disposal of firearm accessories.
- Do not throw the product in regular household waste. Check for recycling options or special disposal services for firearm components.

## **Contact Information for Further Support**

For any additional questions or concerns regarding your Wilson Combat SIG Battlesight, please refer to the contact information provided by your retailer or the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the Wilson Combat SIG Battlesight!
