

VICKERS ELITE SIG SAUER™ REAR SIGHTS - VICKERS ELITE BATTLESIGHT FOR SIG, BLACK SERRATED

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The high profile Vickers Elite Battlesight rear .223" height sight has a .145" wide, deep U-Notch for optimum sighting in low-light, dynamic range conditions and is a perfect match to our .125" wide front sights. The concave non-reflective rear blade is serrated 40 lines per inch, while the notch area is recessed into a semi-circular pocket for a crisp, protected sight picture. Two hardened set-screws ensure this sight will never shoot loose under the most demanding conditions. This snag-free rear sight also has a shelf shape that enables one-hand slide cycling or malfunction clearance and a rugged, non-reflective matte black parkerized finish. The Vickers Elite Battlesight is available with two dot yellow Tritium and plain black serrated rear blades and your choice of black serrated, green/red fiber optic, tritium and genuine, never dulling gold bead front sight styles. The high profile of the Vickers Elite Battlesight allows the use of a taller front sight and deeper rear notch for better sight tracking during high speed shooting situations. Once you try this sight system you will be convinced that the Vickers Elite Battlesight is the best performance upgrade you can make to your Sig Sauer® pistol!

Vickers Elite Sig Sauer™ Rear Sights Safety Instruction Guide

Introduction

Thank you for choosing the Vickers Elite Battlesight for your Sig Sauer firearm. This guide provides essential safety instructions to ensure the safe use and maintenance of your new rear sights. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that all firearm accessories, including sights, are installed and used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, regardless of whether it is.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when handling firearms.
- Regularly inspect your sights for any signs of wear or damage. If any issues are found, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The Vickers Elite Battlesight is designed for use with Sig Sauer firearms. Do not attempt to use it with other firearm brands without consulting a professional.
- Avoid using the sight in conditions that may obstruct visibility, such as heavy rain or fog.
- Ensure that the sight is securely fastened to prevent it from loosening during use.
- Do not modify or alter the sight in any way, as this may compromise its safety and performance.
- Be aware of your surroundings and ensure a clear line of sight when aiming your firearm.

Instructions for Installation and Usage

1. Installation Procedure:

- Ensure that your firearm is unloaded and safe to handle before starting the installation.
- Remove the existing rear sight from your Sig Sauer firearm according to the manufacturer's instructions.
- Align the Vickers Elite Battlesight with the mounting dovetail on the slide of your firearm.
- Secure the sight using the provided hardened setscrews, ensuring they are tightened adequately to prevent loosening during use.
- Verify that the sight is properly aligned with the front sight for accurate aiming.

2. Usage Instructions:

- Familiarize yourself with the sight picture created by the Vickers Elite Battlesight before engaging in live fire.
- Practice aiming with the sight in a controlled environment to build confidence and ensure proper usage.
- Adjust your shooting stance and grip as necessary to accommodate the high profile of the sight for optimal performance.
- Regularly check the sight's alignment and secure fit before each use.

Disposal Instructions

- Dispose of the Vickers Elite Battlesight in accordance with local regulations regarding electronic waste and firearm accessories.
- If the sight is damaged beyond repair, consider contacting your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or support regarding the Vickers Elite Battlesight, please reach out to your local dealer or visit the manufacturer's website. Ensure that you have your product details on hand for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Vickers Elite Battlesight. Always prioritize safety and responsible firearm handling.
