Safety Instruction Guide for 1911 Mainspring Housing Wilson Combat Stainless, Flat (G/C)

Introduction

Thank you for choosing the 1911 Mainspring Housing by Wilson Combat. This product is designed to enhance your shooting experience. However, it is essential to follow safety guidelines to ensure safe usage and compliance with EU regulations. This guide provides important safety instructions, precautions, and installation procedures.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms safely and responsibly.
- Keep the mainspring housing and all firearm components away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the mainspring housing with compatible 1911 models: Government and Commander frames.
- Do not attempt to modify the mainspring housing; alterations may compromise safety.
- Wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or handling the mainspring housing.
- Check for proper fit and secure installation before firing.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver).

2. Installation Steps

- Remove the existing mainspring housing from the firearm by following the manufacturer's instructions.
- Align the new Wilson Combat mainspring housing with the frame.
- Securely attach the mainspring housing to the frame using the appropriate screws.
- Ensure that the housing is firmly in place and does not move.

3. Usage Guidelines

- After installation, perform a function check to ensure the mainspring housing operates correctly.
- Follow all standard operating procedures for your firearm during use.
- Regularly clean and maintain the mainspring housing for optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mainspring housing in regular household waste.

- Consider recycling options for metal components where available.

Contact Information for Further Support

For further assistance or inquiries regarding safety and product support, please refer to the manufacturer's contact channels or visit their official website. Ensure you have your product details available for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your Wilson Combat Mainspring Housing while ensuring a safe shooting experience. Thank you for prioritizing safety!
