

TYPE D EXTRA POWER SPRINGS FOR HARDBALL & HEAVIER LOADS - WOLFF 22 LB. RECOIL SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE D - Extra Power For Hardball and Heavier Loads in Commander - Provides same benefits as Type C springs, but for the shorter Commander which comes standard with an 18 lb. spring. Includes extra power firing pin spring.

Safety Instruction Guide for TYPE D EXTRA POWER SPRINGS

Introduction

Thank you for choosing the TYPE D EXTRA POWER SPRINGS for your 1911 Auto in .45, .38 Super, or 9mm. These springs are designed to enhance the performance of your firearm, especially for hardball and heavier loads. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and related accessories with caution and respect.
- Ensure that you are familiar with the operation of your firearm before installing or using any new components.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Store all firearm components, including springs, in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage. Replace any parts that are worn or damaged.
- Be aware of your surroundings and ensure a safe environment when handling or using firearms.

Specific Safety Precautions for Use

- Only use the TYPE D EXTRA POWER SPRINGS in firearms that are compatible with these specifications.
- Ensure that the recoil spring is installed correctly to avoid malfunction.
- Do not exceed the recommended load specifications for your firearm.
- If you experience any malfunctions or unusual behavior from your firearm after installation, cease use immediately and consult a qualified gunsmith.
- Keep all springs and small components away from children and pets to prevent accidental ingestion or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and a hammer.

2. Installation Steps:

- Remove the slide from your 1911 Auto following the manufacturer's guidelines.
- Carefully remove the old recoil spring and firing pin spring from the slide.
- Install the TYPE D EXTRA POWER RECOIL SPRING into the recoil spring tunnel.
- Ensure that the spring is seated properly and securely.
- Install the extra power firing pin spring to keep the firing pin stop in place.
- Reassemble the slide back onto the frame of the firearm.

3. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly.
- Test the firearm in a controlled environment to ensure proper operation with the new springs.
- Always follow safe shooting practices and local laws when using your firearm.

Disposal Instructions

- Dispose of old springs and any packaging materials responsibly.
- Follow local regulations regarding the disposal of metal parts and packaging.
- Consider recycling materials where possible to reduce environmental impact.

Contact Information for Further Support

For any questions or concerns regarding installation, usage, or safety, please refer to the manufacturer's contact information provided with the product. It is important to have access to expert guidance if needed.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the TYPE D EXTRA POWER SPRINGS for your firearm. Always prioritize safety and seek professional assistance if you are unsure about any aspect of installation or usage. Enjoy your enhanced shooting experience responsibly!
