

# FDE Superlite with Oryx Chassis, 22 LR

[Firearms](#) > [Rifles](#)

The Superlite rifle is a great plinker or hunting rifle that's a breeze to carry and shoot. It features a super lightweight but ultra tough CNC-machined aluminum hard anodized receiver rather than the stainless steel receiver on which our other Volquartsen rifles are built. The Superlite also comes standard with our lightweight THM tension barrel.

The standard Superlite models feature a removable Forward Blow Comp that is threaded on using 1/2 x 28 threads.

Configuration:

- 22 LR
- Black
- ORYX Chassis - Flat Dark Earth

Trigger Group:

- Flat Dark Earth

Barrel:

- Forward Blow Comp - Black Anodized Aluminum
- FDE Cerakoted Aluminum
- Black Ends

Details:

- receiver is Type III hard anodized
- Receiver features threaded in barrel
- Integral Picatinny rail

# Safety Instruction Guide for FDE Superlite with Oryx Chassis

## Introduction

Thank you for choosing the FDE Superlite with Oryx Chassis. This guide provides essential safety instructions to ensure the safe use and handling of your rifle. It is important to read and understand these guidelines thoroughly before using the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Do not consume alcohol or drugs before or during the use of firearms.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before performing any maintenance or cleaning.
- Use only the recommended ammunition for the FDE Superlite, which is .22 LR.
- Do not modify the firearm in any way that could compromise its safety.
- Be cautious when using the Forward Blow Comp feature; ensure that it is properly installed before use.
- Always check the barrel for obstructions before loading.
- Do not exceed the magazine capacity of 10 rounds.
- Keep your fingers off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation of the Forward Blow Comp:

- Ensure the rifle is unloaded.
- Align the Forward Blow Comp with the threaded barrel.
- Securely thread the comp onto the barrel, ensuring it is tight but not overtightened.

### 2. Loading the Rifle:

- Open the action and ensure the chamber is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the bolt handle to chamber a round.

### 3. Shooting:

- Assume a stable shooting position.
- Aim at your target, ensuring a clear line of sight.
- When ready, place your finger on the trigger and gently squeeze to fire.

### 4. Unloading the Rifle:

- Point the rifle in a safe direction.

- Remove the magazine from the magazine well.
- Pull back the bolt handle to eject any chambered round.

#### **5. Cleaning and Maintenance:**

- Clean the rifle after each use to prevent buildup of residue.
- Use appropriate cleaning supplies for aluminum and stainless steel.
- Regularly check the integrity of the receiver and barrel for any signs of wear.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- For the rifle, contact your local authorities or a licensed firearms dealer for proper disposal methods.
- Do not dispose of the firearm in regular waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the FDE Superlite with Oryx Chassis, please refer to your local authorized dealer or manufacturer's representative. It is important to have a point of contact for any safety-related questions.

## **Conclusion**

Adhering to these safety guidelines will help ensure a safe and enjoyable experience with your FDE Superlite with Oryx Chassis. Always prioritize safety and responsibility when handling firearms.
