# Walther PDP Steelframe Match 5" Safety Instruction Guide

## Introduction

Thank you for choosing the Walther PDP Steelframe Match 5". This guide provides essential safety information and instructions to ensure the safe use of your pistol. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Never point the firearm at anything you do not intend to shoot.
- Be aware of your target and what is beyond it.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for signs of wear and damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before handling or cleaning.
- Use only the recommended ammunition (9mm Luger) as specified in the technical data.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify your firearm in any way that may affect its safety or performance.
- Be cautious of the firearm's weight (1195 g) and manage it accordingly during use.
- Familiarize yourself with the location and operation of all safety features, including the three automatic safeties.
- Practice safe handling and shooting techniques to minimize the risk of accidents.

## Instructions for Installation and Usage

### Installation

- Ensure that you are in a safe and controlled environment before handling the firearm.
- If adding accessories, ensure they are compatible with the Walther PDP Steelframe Match 5".
- Follow the manufacturer's instructions for installing any accessories.

### Usage

- Load the magazine with the appropriate ammunition (18 rounds or 20 rounds).
- Insert the loaded magazine into the firearm until it clicks into place.
- To chamber a round, pull the slide back and release it.
- To fire, align your sights on the target, place your finger on the trigger, and squeeze gently.
- After firing, always check the chamber to ensure it is clear before handling the firearm further.
- If a malfunction occurs, follow the manufacturer's guidelines for clearing the issue safely.

## Disposal Instructions

- Dispose of your firearm in accordance with local laws and regulations.
- For disposal of ammunition, contact your local authorities or a licensed firearms dealer for safe disposal options.
- Do not dispose of firearms or ammunition in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult the official Walther website or contact local authorities for guidance. Always ensure you are informed about the latest safety standards and regulations.

Please remember that safe handling and responsible ownership are vital to reducing risks associated with firearms. Thank you for your commitment to safety.
