KMR Tuningspringset Safety Instruction Guide

Introduction

Thank you for choosing the KMR Tuningspringset from KMR Precision Arms. This tuning spring set is designed for your KMR pistol and consists of a firing pin spring and an impact spring. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only as intended for your KMR pistol.
- Always handle the tuning spring set with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the springs regularly for signs of wear or damage before use.
- If you notice any abnormalities, do not use the product and seek professional assistance.

Specific Safety Precautions for Use

- Only use the tuning spring set with compatible KMR pistols.
- Do not modify the springs or use them in any way not specified by the manufacturer.
- Wear appropriate safety gear, such as eye protection, when handling or installing the springs.
- Always ensure the pistol is unloaded before installing or replacing the tuning springs.
- Follow the manufacturer's instructions carefully during installation to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation.
- Work in a clean, welllit area free from distractions.

2. Installation Steps:

- Unload your KMR pistol and ensure it is pointed in a safe direction.
- Remove the existing tuning springs from the pistol according to the manufacturer's guidelines.
- Carefully install the new firing pin spring by aligning it with the designated slot.
- Install the impact spring in the same manner, ensuring it is seated correctly.
- Doublecheck that both springs are securely in place before reassembling the pistol.

3. PostInstallation:

- After installation, conduct a function check to ensure the pistol operates correctly.
- If any issues arise, consult a qualified gunsmith or contact the manufacturer for assistance.

Disposal Instructions

- Dispose of any old springs or packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities if available.

Contact Information for Further Support

For any questions or concerns regarding the KMR Tuningspringset, please reach out to the manufacturer or consult the official website for additional support and resources.

Thank you for prioritizing safety while using the KMR Tuningspringset. Your adherence to these guidelines helps ensure a safe and enjoyable experience with your KMR pistol.
