General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for this rifle.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the safety lever is engaged when the rifle is not in use.
- Do not attempt to modify or alter the firearm in any way.
- Use only highquality, compatible optics when mounting on the side rail.
- Be cautious when adjusting the sights; ensure the firearm is pointed in a safe direction.
- Always wear appropriate eye and ear protection when shooting.
- Be mindful of the surrounding environment, including other people and animals, when using the firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation of Optics

1. Ensure the rifle is unloaded and the safety lever is engaged.
2. Locate the side port on the left side of the rifle.
3. Attach the optics mount according to the manufacturer's instructions.
4. Securely fasten all screws and check for stability before use.

Usage Instructions

1. Loading the Magazine:

- Ensure the rifle is pointed in a safe direction.
- Insert the 10round magazine into the magazine well until it clicks into place.
- Load ammunition into the magazine following the manufacturer's specifications.

2. Firing the Rifle:

- Ensure the safety lever is in the "fire" position.
- Aim at the target while keeping the muzzle pointed in a safe direction.
- Gradually squeeze the trigger to fire.
- After firing, keep the rifle pointed downrange and assess the situation.

3. Unloading the Rifle:

- Remove the magazine by pressing the improved magazine eject button.
- Open the action to eject any chambered round.
- Visually and physically check the chamber to ensure it is clear.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the firearm is no longer usable, consider contacting a licensed dealer for proper disposal.
- Ensure that all ammunition is disposed of safely and in compliance with local regulations.
