- Ensure the magazine is properly seated in the firearm before use.
- Regularly inspect the magazine for signs of wear or damage.
- Do not attempt to modify or alter the magazine in any way.
- Always follow the manufacturer's instructions for your specific firearm.

Specific Safety Precautions for Use

- Ensure you are in a safe and controlled environment when loading or unloading the magazine.
- Use only the specified caliber ammunition (7.62 x 39mm) for this magazine.
- Avoid overloading the magazine; it is designed for 10 rounds only.
- When loading the magazine, do so one round at a time to ensure proper seating.
- Always keep the firearm pointed in a safe direction when handling the magazine.
- If a malfunction occurs while using the magazine, follow your firearm's safety procedures to address it.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks, indicating it is secured.

2. Loading the Magazine:

- Hold the magazine with the rounds facing down.
- Insert the first round into the magazine, pressing down until it clicks into place.
- Continue loading rounds until the magazine is full (10 rounds maximum).
- Ensure all rounds are seated properly and the magazine is not bulging.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the magazine is locked in place before proceeding.

- Follow all safe handling practices when operating the firearm.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.
- Carefully unload the rounds from the magazine, ensuring they are pointed in a safe direction.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations for hazardous materials.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact your local waste management authority for proper disposal methods.
