

22 Gen5 MOS - 15-Round - 40 S&W

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

The caliber 40 S&W closes the gap between the heavy calibers 45 Auto and the service calibers 9 mm Luger. GLOCK was the first manufacturer to make the advantages of this well-balanced caliber available to law enforcement agencies. With the release of the full-size G22 Gen5 MOS model, the latest generation of GLOCK Standard is now available in 40 S&W.

Utilizing Gen5 technology, this model features an nDLC finish, a flared magazine well, the proven GLOCK Marksman Barrel (GMB) and an ambidextrous slide stop lever. Like the Gen4 model, the frame of the G22 Gen5 MOS is adjustable and features the Modular Beavertail Backstrap System (MBS) and a reversible magazine catch. Four numbered GLOCK MOS adapter plates are included with this model to simplify the mounting of optical sights.

Note: The slide width of the 40 S&W Gen5 models is slightly wider compared to the previous generation. Please take this into account when selecting your holster.

Technical data:

- **Caliber:** 40 S&W
- **Trigger system:** Safe Action
- **Magazine capacity:** 15 rounds
- **Barrel length:** 114 mm
- **Weight (empty):** 732 g
- **Weight with magazine:** 806 g
- **Weight with full magazine:** 1058 g
- **Trigger pull weight:** 26 N
- **Overall length:** 202 mm (1)
- **Slide length:** 186 mm (2)
- **Width:** 34 mm (3)
- **Slide width:** 27.5 mm (4)
- **Height incl. magazine:** 140 mm (5)
- **Sight length:** 168 mm (6)
- **Trigger distance:** 70 mm (7)

Special features:

- **Modular Optical System (MOS):** Enables easy mounting of common target optics.
- **Front serrations (FS):** Provides an additional haptic surface.
- **nDLC finish:** Provides robust and durable protection against corrosion and scratches.
- **Ambidextrous slide stop lever:** Facilitates handling for left- and right-handed users.

Safety Instruction Guide for Glock 22 Gen5 MOS

Introduction

Thank you for choosing the Glock 22 Gen5 MOS. This guide provides essential safety instructions and general guidelines to ensure the safe use of your firearm. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of unauthorized users, especially children.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that you are trained and familiar with the operation of the Glock 22 Gen5 MOS before use.
- Use only the recommended ammunition (40 S&W) for this firearm.
- Avoid using damaged or defective magazines.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the firearm in any way that could affect its safety or reliability.
- Be cautious of environmental conditions that may affect shooting, such as wind or poor visibility.
- If you experience a misfire or hangfire, follow proper procedures for safe handling.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Use the included GLOCK MOS adapter plates to mount optical sights securely.
- Follow the manufacturer's instructions for any thirdparty accessories.

2. Loading the Firearm:

- Open the magazine and load it with up to 15 rounds of 40 S&W ammunition.
- Insert the magazine into the grip until it clicks into place.
- Pull back the slide to chamber a round, ensuring the firearm is ready for use.

3. Firing the Firearm:

- Assume a stable shooting stance.
- Align your sights with the target and place your finger on the trigger.
- Squeeze the trigger smoothly to fire.
- After firing, keep the firearm pointed downrange until you are ready to unload.

4. Unloading the Firearm:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine catch.
- Pull back the slide to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of the firearm according to local laws and regulations.
- If the firearm is no longer operational, consult a licensed gunsmith for proper disposal.
- Dispose of ammunition in accordance with local hazardous waste guidelines.

Contact Information for Further Support

- For safety inquiries, please refer to your local GLOCK representative or authorized dealer.

Conclusion

Safety is paramount when handling firearms. By following these guidelines and instructions, you help ensure a safe and enjoyable shooting experience with your Glock 22 Gen5 MOS. Always remain vigilant and responsible in your firearm use.
