Aluminium Magwell for KMR Precision Arms

Safety Instruction Guide

Introduction

Thank you for purchasing the Aluminium Magwell for KMR Precision Arms. This product is designed to enhance your shooting experience by facilitating quick magazine changes. Please read this safety instruction guide carefully to ensure safe and effective use of the magwell.

General Safety Guidelines

- Ensure that the magwell is compatible with your specific KMR pistol model.
- Always handle firearms with care, following all safety protocols.
- Store the magwell in a secure location, away from children and unauthorized users.
- Regularly inspect the magwell for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the magwell if it is damaged or shows signs of wear.
- Always ensure the firearm is unloaded before installing or removing the magwell.
- Use the magwell only with compatible magazines to avoid malfunction.
- Avoid using excessive force during magazine insertion or removal to prevent injury or damage.
- Keep fingers clear of the magazine well during operation to avoid pinching or injury.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and safe.
- Align the magwell with the magazine well of your KMR pistol.
- Gently press the magwell into place until it is securely fitted.
- Check that the magwell is properly installed and does not wobble.

2. Usage

- To insert a magazine, align it with the magwell and push firmly until it clicks into place.
- To remove a magazine, press the magazine release button and pull the magazine out.
- Practice magazine changes in a safe environment to become familiar with the magwell's operation.

Disposal Instructions

- Dispose of the Aluminium Magwell responsibly.
- If the magwell is damaged beyond use, contact your local waste management services for proper disposal methods.
- Do not dispose of the magwell in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Aluminium Magwell for KMR Precision Arms, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety instructions. Your safety is our priority.
