# Thumbrest for KMR Safety Instruction Guide

## Introduction

Thank you for choosing the Thumbrest for KMR SPECTRA Black Left 220,5°. This product is designed to enhance your shooting experience by providing ergonomic support and improving grip. To ensure your safety and the best performance from your Thumbrest, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the Thumbrest is compatible with your KMR firearm model before use.
- Always inspect the Thumbrest for any damage or wear before installation.
- Keep the Thumbrest out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for product recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the Thumbrest as intended and according to the manufacturer's instructions.
- Do not modify the Thumbrest in any way, as this may compromise its safety and effectiveness.
- Ensure that your hands are clean and dry when using the Thumbrest to maintain grip.
- Avoid using the Thumbrest in adverse weather conditions that may affect grip and control.
- If you experience any discomfort while using the Thumbrest, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Locate the designated area on your KMR firearm where the Thumbrest will be attached.
- Align the Thumbrest with the mounting points on your firearm.
- Use the included fixing screws to securely attach the Thumbrest. Ensure that it is fastened tightly but do not overtighten, which could damage the firearm or the Thumbrest.
- Once installed, check that the Thumbrest is stable and does not move.

### 2. Usage:

- Grip the Thumbrest firmly with your left hand to ensure a secure hold on the firearm.
- Position your thumb on the Thumbrest for optimal support and control during shooting.
- Maintain a proper shooting stance and adjust your grip as needed for comfort and accuracy.
- After use, clean the Thumbrest with a soft cloth to remove any dirt or moisture.

## Disposal Instructions

- Dispose of the Thumbrest in accordance with local regulations for electronic waste and plastics.
- Do not dispose of the Thumbrest in regular household waste.
- If the Thumbrest is damaged beyond repair, ensure it is recycled or disposed of properly to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the Thumbrest for KMR, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product model and any relevant details ready for a more

efficient response.

Thank you for prioritizing safety while using the Thumbrest for KMR. Enjoy your shooting experience!
