# KMR Precision Arms Trigger Safety Instruction Guide

## Introduction

Thank you for choosing the KMR Precision Arms Trigger for your firearm. This guide provides essential safety instructions to ensure proper use and maintenance of your trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm and trigger in a safe place, out of reach of children and unauthorized users.
- Ensure that you are familiar with the laws and regulations regarding firearm ownership and use in your area.
- Always wear appropriate eye and ear protection when handling firearms.
- Do not modify the trigger beyond the manufacturer's specifications.
- Regularly inspect your firearm and trigger for wear and damage. Do not use them if any issues are found.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction at all times when handling.
- Do not engage the trigger mechanism unless you are ready to fire.
- Be aware of the trigger pull weight and adjust it according to your shooting preferences and skill level.
- Avoid using the trigger in wet or humid conditions, as this may affect performance.
- Ensure that the trigger is installed correctly to avoid accidental discharge.
- Keep your finger off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Carefully install the KMR Precision Trigger by following these steps:
  - Align the trigger with the mounting point.
  - Secure the trigger in place using the provided screws.
  - Adjust the trigger pull weight to your preference, if applicable.
- Doublecheck that the trigger is securely installed and functions correctly before use.

### 2. Usage

- Familiarize yourself with the trigger's operation before use.
- Practice dry firing in a safe environment to get accustomed to the trigger pull.
- When ready to shoot, load your firearm and ensure a proper grip.
- Aim at your target and gently squeeze the trigger to fire.
- After firing, keep the firearm pointed downrange and observe the area for safety before unloading.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger is damaged or no longer functional, contact your local waste disposal service for guidance on safe disposal.
- Do not dispose of the trigger in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your KMR Precision Arms retailer or visit the official website for support resources.

Thank you for prioritizing safety and performance with your KMR Precision Arms Trigger. Enjoy your shooting experience responsibly!
