# KMR Umbra X O.R Safety Instruction Guide

## Introduction

Thank you for choosing the KMR Umbra X O.R, a highperformance weapon designed for precision and adaptability in competitive shooting. This guide provides important safety instructions to ensure the safe use of your firearm. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Use only the recommended ammunition for the KMR Umbra X O.R (9x19).
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the safety is engaged until you are ready to fire.
- Use protective eyewear and hearing protection while shooting.
- Do not consume alcohol or drugs before or during the use of the firearm.
- Avoid using the firearm in adverse weather conditions that may affect visibility or handling.
- Only use the firearm in designated shooting areas or ranges.
- Be cautious of others around you while handling or using the firearm.

## Instructions for Installation and Usage

### Installation of Optics

- Ensure the firearm is unloaded before beginning installation.
- Mount the target optics securely according to the manufacturer's instructions.
- Adjust the rear sight and optics for proper alignment before use.

### Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Insert a magazine loaded with 16 rounds into the magazine well.
- Pull back the slide to chamber a round, ensuring the firearm is ready to fire.

### Firing the Firearm

- Ensure the safety is disengaged.
- Aim at the target and gently squeeze the trigger to fire.
- After firing, keep the firearm pointed downrange until you are ready to reload or cease fire.

### Unloading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Pull back the slide to eject any chambered round.

## Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- Do not dispose of ammunition in regular waste. Contact local authorities for proper disposal methods.
- Ensure that any unused parts or accessories are disposed of safely to prevent accidental use.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the KMR Umbra X O.R, please reach out to your local KMR Precision Arms representative or authorized dealer. They can provide additional information and support regarding safe usage and maintenance of your firearm.

## Conclusion

The KMR Umbra X O.R is designed for high performance and precision. By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience while using your firearm. Always prioritize safety and responsibility when handling any weapon. Thank you for choosing KMR Precision Arms.
