# KMR L02 ORCA O.R Safety Instruction Guide

## Introduction

Thank you for choosing the KMR L02 ORCA O.R, a highperformance handgun designed for precision and adaptability. Your safety is our top priority. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of your firearm. Please read this manual carefully before use to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm in a secure location, inaccessible to children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that you are in good physical and mental condition before handling the firearm.

## Specific Safety Precautions for Use

- **Caliber:** Only use ammunition specified for the KMR L02 ORCA O.R (9x19). Using incorrect ammunition can lead to malfunctions or serious injury.
- **Magazine Capacity:** The firearm has a magazine capacity of 20 rounds. Do not exceed this limit.
- **Optics and Sights:** Ensure that the fibre optic front sight is clean and unobstructed for optimal visibility.
- **Safety Mechanisms:** Always engage the manual safety lever when the firearm is not in use or when transporting it.
- **Trigger:** The singleaction trigger is designed for precise firing. Avoid pulling the trigger unless you are ready to shoot.
- **Adjustments:** Make sure that all adjustable components, including the optics and magazine release, are properly set before use.
- **Environment:** Only use the firearm in designated shooting ranges or safe areas. Avoid using it in crowded or populated places.

## Instructions for Installation and Usage

### 1. Before Use:

- Inspect the firearm to ensure it is clean and free of obstructions.
- Verify that the safety is engaged.
- Load the magazine with the appropriate 9x19 ammunition, ensuring it is seated properly.

### 2. Loading the Firearm:

- Insert the loaded magazine into the magazine well until it clicks into place.
- Pull the slide back to chamber a round. Ensure that the slide is fully forward and locked.

### 3. Firing the Firearm:

- Ensure you are in a safe shooting position with a clear line of sight to your target.
- Disengage the manual safety lever.
- Place your finger on the trigger only when you are ready to shoot.

- Aim carefully and squeeze the trigger smoothly to fire.

#### **4. After Use:**

- Engage the manual safety lever immediately after firing.
- Remove the magazine and clear the chamber by pulling the slide back.
- Store the firearm in a secure location.

## **Disposal Instructions**

- Dispose of any unused ammunition according to local regulations.
- When disposing of the firearm, contact a licensed firearms dealer or local law enforcement for guidance on safe disposal methods.
- Ensure that the firearm is rendered inoperable before disposal to prevent unauthorized use.

## **Contact Information for Further Support**

For any questions or concerns regarding the KMR L02 ORCA O.R, please refer to the manufacturer's website or customer support for assistance. Always ensure that you have access to updated information regarding safety recalls or product updates.

## **Conclusion**

Your safety and the safety of others is paramount when handling firearms. By following these guidelines, you can ensure a safe and enjoyable experience with your KMR L02 ORCA O.R. Always stay informed about safety practices and local laws regarding firearm use. Thank you for choosing KMR Precision Arms.
