Introduction

Thank you for choosing the KMR Grip Panel Set Domatrix Ergo W. This product is designed to enhance your firearm's control and precision while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the KMR Grip Panel Set by following all guidelines. This product is not a toy and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the grip panels for any signs of damage or wear before installation. Do not use if damaged.
- **Proper Handling:** Handle the grip panels with care during installation and adjustment to avoid injury.
- **Secure Installation:** Ensure that the grip panels are securely installed on your firearm before use. Loose panels can lead to loss of control.
- **Avoid Modifications:** Do not modify the grip panels in any way. Alterations can compromise safety and performance.
- **Environmental Conditions:** Be aware of environmental conditions such as moisture or extreme temperatures that could affect grip performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver if required.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing grip panels from your KMR W02 Cuda or W02 Umbra firearm.
- Align the KMR Grip Panel Set Domatrix Ergo W with the mounting points on your firearm.
- Secure the grip panels using the provided screws or fasteners. Ensure they are tightened adequately but do not overtighten, as this may cause damage.

3. Usage:

- Once installed, test the grip panels for stability by holding the firearm and checking for any movement.

- Familiarize yourself with the grip texture and how it feels during use, especially in different weather conditions.
- Practice safe handling and shooting techniques to ensure maximum control and safety.

Disposal Instructions

- **Disposal of Old Grip Panels:** Dispose of any old grip panels according to local regulations. Do not throw them in regular household waste if they are considered hazardous.
- **Recycling:** If possible, recycle materials from the grip panels to minimize environmental impact.

Contact Information for Further Support
