# KMR Nill Master 2 Grip Safety Instructions

## Introduction

Thank you for choosing the KMR Nill Master 2 grip for your KMR W02 grips. This product is designed to enhance your shooting experience by providing maximum comfort and control. To ensure your safety and the proper use of this product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the KMR Nill Master 2 grip is compatible with your KMR W02 grips before installation.
- Always handle the grip with care to avoid any injuries or damage.
- Keep the grip away from children and vulnerable individuals to prevent accidents.
- Regularly inspect the grip for wear and tear. If any damage is found, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not expose the grip to extreme temperatures or moisture, as this may compromise its integrity.
- Avoid using any chemicals or cleaning agents that may damage the wood finish.
- Ensure that your hands are clean and dry when handling the grip to maintain a secure hold.
- Be mindful of your surroundings while using the grip to prevent accidents or injuries to yourself or others.

## Instructions for Installation and Usage

### 1. Installation

- Ensure you have the necessary tools for installation (e.g., screwdriver).
- Carefully remove the existing grip from your KMR W02 grips.
- Align the KMR Nill Master 2 grip with the mounting points of the KMR W02 grips.
- Securely fasten the grip using the appropriate screws, ensuring a snug fit without overtightening.

### 2. Usage

- Hold the grip firmly while using your KMR W02 firearm to ensure optimal control.
- Practice proper shooting techniques to maximize the benefits of the ergonomic design.
- Regularly check the grip's fit and condition during use to ensure safety and performance.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations for wood products.
- If the grip is damaged beyond repair, consider recycling the wood where possible.
- Do not dispose of the grip in regular household waste if it is still in usable condition; consider donating it.

## Contact Information for Further Support

For any inquiries related to safety or product issues, please consult the manufacturer's support resources or your local retailer.

Thank you for your attention to these safety instructions. Enjoy your KMR Nill Master 2 grip and prioritize safety in all your shooting activities.
