Safety Instruction Guide for KINETIC RESEARCH GROUP Whiskey3 Chassis

Introduction

Thank you for choosing the KINETIC RESEARCH GROUP Whiskey3 Chassis (W3C) Gen 6. This product is designed for precision shooting and is compatible with various rifle models. To ensure your safety and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the chassis and firearm in a secure location, away from children and unauthorized users.
- Regularly check for any signs of wear or damage to the chassis and components.
- If you notice any issues, do not use the product until it has been inspected and repaired by a qualified professional.

Specific Safety Precautions for Use

- Always use the Whiskey3 Chassis with compatible firearms only.
- Ensure that the magazine is properly seated before use.
- Do not exceed the manufacturer's recommendations for ammunition types and loads.
- Avoid using the chassis in wet or extreme environmental conditions unless it is rated for such use.
- Do not modify the chassis or associated components in any way that could affect safety or performance.
- Wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the Whiskey3 Chassis from its packaging.
- Ensure that you have all components required for installation.
- Follow the specific instructions provided in the product manual for attaching the chassis to your firearm.
- Use the appropriate tools for installation; do not force parts together.
- Doublecheck that all screws and fittings are tightened securely before use.

2. Usage:

- Familiarize yourself with the chassis and its features before use.
- Adjust the ergonomic features according to your comfort and shooting style.
- Practice proper shooting techniques to ensure accuracy and safety.
- Regularly clean and maintain the chassis to ensure optimal performance.

Disposal Instructions

- Dispose of the Whiskey3 Chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling materials where applicable.
- If the chassis is damaged beyond repair, consult local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

By adhering to these guidelines and instructions, you can ensure a safe and enjoyable experience with your KINETIC RESEARCH GROUP Whiskey3 Chassis. Always prioritize safety and responsibility when handling firearms and associated equipment.
