

C-4 Chassis - Remington 700 SA

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

C-4 Wettkampfgewehr-Chassis - Höchste Präzision und Komfort

Das C-4 Chassis wurde mit direktem Feedback von führenden Wettkampfschützen und Trainern entwickelt und ist das ultimative Chassis für moderne Wettkämpfe. Es verfügt über werkzeuglose Verstellungen für Schaftlänge, Wangenauflage, Höhe und Neigung sowie eine einstellbare Bag Rider-Höhe, um maximale Anpassung und Komfort zu gewährleisten.

Hauptmerkmale:

- Monolithischer Aluminiumrahmen für extreme Stabilität
- Verlängerte 42,5 cm (16 3/4 Zoll) Vorderschiene mit integrierter ARCA-Schiene
- Magazin-Justierung für AICS oder AW Magazine

Passend für: Remington 700 SA/LA, Tikka T3 (T3x, CTR) und Klone

Gewicht: 2,86 kg (ohne Magazin)

Material: Eloxiertes Aluminium

Farbe: Schwarz

Ideal für präzise und wiederholbare Wettkampfschüsse.

KINETIC RESEARCH GROUP C4 Chassis Safety Instruction Guide

Introduction

Thank you for choosing the KINETIC RESEARCH GROUP C4 Chassis for your Remington 700 SA. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the chassis is properly installed and secured before use.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the chassis and associated equipment out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible components and accessories with the chassis.
- If you notice any unusual behavior or performance issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Using incompatible magazines may cause feeding issues.
 - Failure to secure the chassis properly can result in accidents.
- **Instructions for Avoiding Hazards:**
 - Always follow the manufacturer's installation instructions.
 - Ensure that all screws and fasteners are tightened before use.
 - Regularly check magazine compatibility and functionality.
 - Use the chassis in a safe environment, away from distractions.
- **Age Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Remove the existing stock from your Remington 700 SA.
 2. Align the C4 chassis with the action of the rifle.
 3. Secure the chassis using the provided screws, ensuring they are tightened according to the manufacturer's specifications.
 4. Attach the desired magazine (AICS or AW) and ensure it is properly seated.
 5. Adjust the stock length, cheek piece, and bag rider height as needed for comfort.
- **Usage Instructions:**
 - Before each use, perform a safety check to ensure the rifle is unloaded and the chassis is secure.
 - When firing, maintain a proper shooting stance and grip.

- After use, clean and inspect the chassis and rifle components.

Disposal Instructions

- Dispose of the chassis and any related components in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product issues, or to report unsafe products, please refer to the appropriate EU contact points available through local consumer protection agencies. Additionally, stay informed about product recalls and safety updates via the EU Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your KINETIC RESEARCH GROUP C4 Chassis and the precision it brings to your shooting experience.
