KINETIC RESEARCH GROUP C4 Chassis Safety Instruction Guide

Introduction

Thank you for choosing the KINETIC RESEARCH GROUP C4 Chassis for your Tikka T3, T3x, or CTR. This guide provides essential safety instructions to ensure your safe and effective use of this product. Please read and follow all instructions carefully to maximize your safety during operation.

General Safety Guidelines

- Always handle firearms and related accessories with care.
- Ensure that the product is used only for its intended purpose.
- Keep the chassis and all components away from children and unauthorized users.
- Regularly inspect the chassis for any signs of damage or wear.
- Store the chassis in a secure location when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chassis is properly installed before use.
- Check that all adjustments are secure and functioning correctly.
- Use only compatible magazines (AICS or AW) as specified.
- Do not exceed the manufacturer's recommendations for weight and usage.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded before installation.
- Remove the original stock from the firearm according to the manufacturer's instructions.
- Align the chassis with the firearm's action and secure it using the provided hardware.
- Adjust the length of pull, cheek piece height, and bag rider height to fit your preferences without tools.

2. Usage

- Before each use, confirm that the chassis is securely attached to the firearm.
- Adjust the cheek piece and bag rider to ensure proper sight alignment and comfort.
- Practice safe handling and shooting techniques at all times.
- Clean the chassis according to the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the KINETIC RESEARCH GROUP C4 Chassis, please consult the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your KINETIC RESEARCH GROUP C4 Chassis. Thank you for your attention to safety, and happy shooting!
