# Safety Instruction Guide for Boyds Chassis Spike Camp Mauser M18 DBM

## Introduction

Thank you for choosing the Boyds Chassis Spike Camp Mauser M18 DBM. This product is designed to enhance your Mauser M18 rifle with a durable and functional thumbhole stock. To ensure your safety and the proper use of this product, please read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the stock.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- If you notice any defects or issues with the stock, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the Mauser M18 and its components before installation.
- Wear appropriate safety gear, such as safety glasses, when handling tools or performing installation.
- Be cautious of sharp edges on the stock and tools used during installation.
- Avoid using excessive force when tightening screws to prevent damage to the stock or action.
- Only use compatible detachable magazines as specified in the product description.
- If you are unsure about any aspect of installation or use, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the Mauser M18 is completely unloaded.
- Gather all necessary tools, including a screwdriver and any other required equipment.

### 2. Installation Steps

- Remove the existing stock from the Mauser M18 by unscrewing the action screws.
- Carefully detach the factory box magazine, if applicable.
- Align the Spike Camp Thumbhole stock with the action of the Mauser M18.
- Insert the action screws through the stock and into the action, ensuring proper alignment.
- Tighten the screws gradually and evenly to avoid misalignment.
- Reattach the factory box magazine as needed.

### 3. Final Checks

- Inspect the installation to ensure that the stock is securely attached and there are no loose components.
- Conduct a function check to ensure that the firearm operates correctly with the new stock.

## Disposal Instructions

- When disposing of the product, follow local regulations for the disposal of nonfood products.
- If the stock is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the Boyds Chassis Spike Camp Mauser M18 DBM, please refer to the contact information provided by the retailer or manufacturer.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can ensure the safe and effective use of your Boyds Chassis Spike Camp Mauser M18 DBM. Thank you for your attention to these important safety measures.
