# Safety Instruction Guide for Schließfeder für P220/P226

## Introduction

Thank you for choosing the Schließfeder für P220/P226 from Sig Sauer. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (P220/P226) and caliber (9mm Luger).
- Always handle the firearm with care and follow standard firearm safety rules.
- Inspect the Schließfeder for any visible damage before installation.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms.
- Ensure the firearm is unloaded before installing or replacing the Schließfeder.
- Follow the manufacturer's instructions for installation and usage.
- Do not modify the Schließfeder in any way as this may compromise safety.
- Be aware of the potential hazards associated with improper installation or use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the existing Schließfeder from the firearm, if applicable.
- Carefully install the new Schließfeder, ensuring it is securely fitted.
- Doublecheck that the Schließfeder is properly aligned and functioning correctly.

### 3. Usage:

- After installation, perform a function check to ensure the firearm operates as intended.
- Regularly inspect the Schließfeder during routine maintenance checks.
- If you notice any signs of wear or damage, replace the Schließfeder immediately.

## Disposal Instructions

- Dispose of the Schließfeder in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the Schließfeder or safety concerns, please contact the manufacturer or an authorized dealer. Ensure you have the product details ready for assistance.

By following these guidelines, you can help ensure your safety and the safety of others when using the Schließfeder für P220/P226. Thank you for your attention to these important safety instructions.
