

OZ9 Elite Standard Threaded Pistol Optic Ready Black

OZ9 Elite Standard Threaded Pistol

It's one of the first things you notice when holding this pistol. Balance equates to what every shooter is looking for, a more controllable pistol with less felt recoil, less muzzle flip and faster, more accurate follow-up shots. At the heart of the OZ9 is our patented steel receiver. This solid steel frame runs the length of the entire pistol allowing the locking block to be fully integrated. The extended rails in the receiver help provide more than double the surface area of contact to the slide.

Additional benefits include channels that clear out debris while also acting as lubricating reservoirs for high friction areas. Having a singular component for the slide to travel along minimizes vibration and recoil energy by dispersing it along the receiver through the custom grip. A single take-down pin conveniently located at the front of the trigger guard locks the removable grip to the steel receiver. By design, the trigger is housed in the steel receiver allowing for future grip upgrades without completely breaking down the pistol. Our improved grips have steeper angles, and forward hand position keeping the muzzle down, and pointing straighter. Additional grip sizes and colors, along with multiple sized magwells, are available to facilitate further customization by end-users. The OZ9 is compatible with ZEV threaded barrels, and red dot sights that utilize the Trijicon RMR footprint, and Glock pattern magazines.

Details:

- The O.Z-9 was designed and created for balance. It's one of the first things you notice when holding this pistol. Balance equates to what every shooter is looking for a more controllable pistol with less felt recoil, less muzzle flip and faster, more accurate follow-up shots
- At the heart of the O.Z-9 is our pat. pending Steel Receiver. This solid steel frame runs the length of the entire pistol allowing the locking block to be fully integrated. The extended rails in the steel receiver help provide more than double the surface area of contact to the slide. Additional benefits include channels that clear out debris while also acting as lubricating reservoirs for high friction areas.
- Having a singular component for the slide to travel along minimizes vibration and recoil energy by dispersing it along the receiver through the custom grip. A single take-down pin conveniently located at the front of the trigger guard locks the removable grip to the steel receiver.
- By design, the trigger is housed in the steel receiver allowing for future grip upgrades without completely breaking down the pistol. Our improved grips have steeper angles, and forward hand position keeping the muzzle down, and pointing straighter
- Slide features ZEV's patented RMR cut which enables the installation of red dot sights using an RMR footprint.

Sicherheitshinweise für die OZ9 Elite Standard Threaded Pistol

Einleitung

Herzlichen Glückwunsch zum Kauf der OZ9 Elite Standard Threaded Pistol. Diese Anleitung bietet wichtige Informationen, um die Sicherheit und den ordnungsgemäßen Gebrauch Ihrer Waffe zu gewährleisten. Bitte lesen Sie die folgenden Hinweise sorgfältig durch, um sicherzustellen, dass Sie die Waffe sicher und verantwortungsbewusst verwenden.

Allgemeine Sicherheitsrichtlinien

- Halte die Waffe immer in einem sicheren Zustand, bis du bereit bist zu schießen.
- Behandle jede Waffe so, als wäre sie geladen.
- Richte die Mündung niemals auf etwas, das du nicht treffen möchtest.
- Halte deinen Finger außerhalb des Abzugs, bis du bereit bist zu schießen.
- Trage immer geeignete Schutzausrüstung, einschließlich Gehörschutz und Schutzbrille.
- Bewahre die Waffe an einem sicheren Ort auf, fern von Kindern und unbefugten Personen.
- Informiere dich über die Gesetze und Vorschriften in deinem Land oder deiner Region bezüglich des Besitzes und Gebrauchs von Schusswaffen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende nur die empfohlenen Munitionstypen für die OZ9 Elite.
- Überprüfe regelmäßig die Waffe auf Anzeichen von Verschleiß oder Beschädigung.
- Achte darauf, dass der Abzug und die Sicherung ordnungsgemäß funktionieren, bevor du die Waffe benutzt.
- Bei einem Stau oder einer Fehlfunktion der Waffe: Halte die Mündung in eine sichere Richtung und warte mindestens 30 Sekunden, bevor du die Waffe überprüfst.
- Verwende die Waffe nicht unter dem Einfluss von Alkohol oder Drogen.

Anweisungen zur Installation und Nutzung

1. Installation des Optics Ready Systems:

- Stelle sicher, dass die Waffe nicht geladen ist.
- Entferne die Abdeckung von der Optikmontage, falls vorhanden.
- Montiere das Optiksystem gemäß den Anweisungen des Herstellers.
- Überprüfe die Sicherheit der Montage, bevor du die Waffe benutzt.

2. Laden der Waffe:

- Verwende nur die empfohlenen 10Round Magazine.
- Fülle das Magazin gemäß den Anweisungen des Herstellers.
- Setze das Magazin in die Waffe ein, bis es einrastet.

3. Shooting:

- Halte die Waffe mit beiden Händen und achte darauf, dass deine Finger nicht den Abzug berühren.
- Zielen und schießen, während du die Sicherheitsrichtlinien beachtest.

4. Nach dem Schießen:

- Entlade die Waffe immer, bevor du sie reinigst oder transportierst.
- Reinige die Waffe regelmäßig, um ihre Leistung zu gewährleisten.

Entsorgungsanweisungen

- Entsorge leere Munition und beschädigte Teile gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Bewahre die Waffe und deren Teile an einem sicheren Ort auf, bis du bereit bist, sie zu entsorgen oder an einen Fachmann zu übergeben.

Safety Instruction Guide for OZ9 Elite Standard Threaded Pistol

Introduction

Thank you for choosing the OZ9 Elite Standard Threaded Pistol. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your firearm. Please read and understand all instructions carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the firearm is unloaded when not in use or when being cleaned.
- Store firearms securely and out of reach of children and unauthorized users.
- Always use the correct ammunition for your firearm.
- Wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use alcohol or drugs before or while handling firearms.
- Familiarize yourself with local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the safety mechanism is engaged when the firearm is not in use.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Inspect the firearm regularly for any signs of wear or damage.
- Do not modify the firearm without consulting a qualified gunsmith.
- Be cautious of the potential for ricochet when shooting in environments with hard surfaces.
- Always check for a clear line of sight and safe backstop before firing.
- Use only ZEVcompatible accessories and parts to maintain safety and reliability.

Instructions for Installation and Usage

- **Installation of Red Dot Sights:**
 - Ensure the firearm is unloaded.
 - Remove the slide from the frame.
 - Locate the RMR cut on the slide.
 - Align the red dot sight with the mounting holes and secure it using the provided screws.
 - Ensure the sight is properly mounted and check for stability before usage.
- **Loading the Magazine:**
 - Ensure the firearm is pointed in a safe direction.
 - Insert the magazine into the magazine well until it clicks into place.
 - Pull the slide back to chamber a round.
- **Firing the Pistol:**
 - Ensure a proper grip and stance.
 - Aim at the target and check your surroundings.
 - Place your finger on the trigger only when ready to fire.
 - Squeeze the trigger smoothly to fire the pistol.
- **Unloading the Pistol:**
 - Point the firearm in a safe direction.
 - Remove the magazine from the magazine well.
 - Pull the slide back to eject any chambered round.
 - Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- For damaged or nonfunctional firearms, consult a qualified gunsmith for safe disposal options.
- Dispose of ammunition according to local hazardous waste regulations.
- Never dispose of firearms or ammunition in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safer experience when using the OZ9 Elite Standard Threaded Pistol. Always prioritize safety and responsible firearm handling.
